A concert was held in the school house at Balmoral on Friday evening last and was a grand success. Anderson, who is about to leave the school, with a handsome hanging lamp and a neatly worded address on behalf of the scholars, to which Mr. Anderson, though somewhat surprised, made a suitable reply.

Don't Miss It.

A new and attractive publication containing many useful, interesting and instructive features has just been issued by T. Notice.—Any one wanting first-class stone for building purposes or for bridges can have same at reasonable prices by applying to R. Easton, Jarvis.

It Pays.—Life: Editor of the Way-back Woodaxe: "Does advertising pay? Well, I should say it did. Why only last week Sammy Shortweight, the grocer, advertised in my paper for a boy, and that very night his wife gave birth to twins. Both boys, too."

The Dominion Jubilee Singers as reorganized by the Rev. J. O'Bryen, the only colored composer of music in Canada, will give a concert in the Methodist church to-morrow night. You should not fail to hear them. See posters and programs for further information.

THE CHRISTMAS STAR.—There is great disappointment throughout the Dominion at the announcement that the publishers of the Montreal Star are too busy with their regular subscription and advertising business to allow of their completing a Christmas Star this year. These Christmas Stars are such gems that it is very generally hoped the publishers will see their way clear to continue their publication.

We have received a copy of the Souvenir Album of Canadian Statesmen, which is sent to all subscribers of the Toronto Weekly News by the News Printing Co., Toronto. As the title indicates, the album contains the pictures of Canada's foremost statesmen. The photos, which are exceptionally good, are gotten up very artistically on the very best paper, making one of the handsomest souvenirs we have yet seen.

FARMERS' INSTITUTE.—The next meeting of the Haldimand Farmers' Institute will be held in Caledonia on Jan. 15th, 1891, at 1 o'clock p.m. The list of meetings for the whole Province has been arranged and assistance at the meetings will be given by six practical farmers, eight representatives of the fruit-growers, two assistants on the college staff, three members of the college board and six of the college professors. The Province is divided into eight divisions, Haldimand being in number three.

CANADIAN ALMANAC FOR 1891.—The 1891 edition of the Canadian Almanac is out bright and early for the new year. The 44th year of this useful handbook finds it, as usual, replete with practical information. It contains full lists of clergy, physicians, municipalities, educational institutions, societies of all kinds, banks, etc., besides the tariff of customs, and a complete list of post offices, together with astronomical, statistical, governmental and other information indispensable to business and professional men. The Copp Clark Co., Toronto are the publishers.

The St. Paul's Church Sunday School entertainment held in the Music Hall on Monday evening was a decided success from every standpoint. The attendance was large and an excellent program was provided. The program consisted of chorals by the children, and solos by Mr. H. C. of Caledonia, Mr. Edwards, of Port Dover, Miss Martin, of Cayuga, and Miss VanNorman, of Tilsonburg, all of whom were loudly applauded, the greatest share of applause being bestowed upon the latter. At the close of the program the distribution of prizes from the Christmas tree took place much to the delight of the children. The chair was ably filled by the Rev. R. Gardiner. After singing "God Save the Queen" those present dispersed for their various homes feeling well pleased with the evening's entertainment.
