Attempted Suicide at Hagersville

HAGERSVILLE, Ont., Dec. 28.—About
5.30 yesterday the town was startled by
the report that M. W. Benn, butcher, of
this town, had shot himself. Early in
the afternoon he had complained of not
feeling well. Going to his room he
locked the door and, lying on the bed,
he applied the muzzle of his revolver
to his mouth and fired. The ball passed
through the right tonsil into his neck.
He gives no reason for the rash act, but
it is believed that mental depression
caused by business reverses is the
cause. He is expected to recover.

Cheap-side Notes.

Christmas was very quiet in town.
Nablo & Bodell did quite a rushing
business the day before Christmas.

There was a grand hop at the opera
on Christmas eve, and the evening
was appreciated by all present.

The Jones family also gave one of
their open air concerts. Harry excels
well on the harp.

Mrs. C— is out of wood and it would
look better if J. W. would bring her
some so the neighbors would not have
to supply the necessary household re-
quirements for her.

About forty of our local sports went
to Brooklyn on Christmas to pepper away
at the game which is plentiful out there.
They got one partridge and seen two
quail.

The Methodist Church S.S. entertain-
ment has been postponed to Tuesday

IN EVERY HOME.—The local news-
paper should be found in every home.
No children will grow up ignorant who
can appreciate the home paper. It is
the stepping stone to intelligence in all
these matters not to be learned in books.
Give your children a foreign paper
which contains not one word about any
person, place or thing which they ever
saw or perhaps ever heard of and how
can you expect them to be interested?
But let them have the home paper and
read of persons whom they meet and of
places with which they are familiar,
and soon an interest is awakened which
increases with every weekly arrival of
the local paper; thus a habit of reading
is formed, and those children will read
the papers all their lives and become
intelligent men and women, a credit to
their ancestors, strong in their know-
ledge of the world as it is to-day.
