Canada's Comic Paper.

GRIP begins its thirty-fourth volume with the New Year, which means that this brave little journal has celebrated its seventeenth birthday. When we say—as we can without hesitation—that its ability both literary and artistic has been kept up to a uniformly high standard throughout this long period, and that to-day it is as bright as ever, we mention a fact exceedingly creditable, not only to the conductors of GRIP but also to the Canadian people, without whose appreciation and support this phenomenon of journalism would have been impossible. We call it a phenomenon advisedly, for so far as we are aware, there is not another country of Canada's age—certainly no other Colony—that can boast of a sixteen-year-old Comic Journal. GRIP has well deserved its success. It is not merely a clever and amusing paper, it is also a recognized power in Canadian public life, and a power which, we are glad to say, is always on the right side where questions of moral principle are concerned. It ought to be a pleasure to every Canadian to contribute to the success of such a journal, and the most practical way of doing this is by subscribing. The price is only Two Dollars per year, or if taken in connection with The JARVIS RECORD the price for both will be $2.60. Subscriptions may be sent direct to GRIP, Toronto, or to this office.

"La Grippe" or Lightening Catarrh.

MR. EDITOR.—"La grippe," or Russian influenza as it is termed, is in reality an epidemic catarrh, and is called by some physicians "lightning catarrh," from the rapidity with which it sweeps over the country. Allow us to draw the attention of your readers to the fact that Nasal Balm, as well as being a thorough cure for all cases of the ordinary cold in head and catarrh, will give prompt relief in even the most severe cases of "la grippe" or Russian influenza," as it will effectually clear the nasal passages, allay irritation and relieve the dull, oppressive headache accompanying the disease. No family should be without a bottle of Nasal Balm in the house, as cold in the head and catarrh are peculiarly liable to attack people at this season of the year, and Nasal Balm is the only prompt and speedy cure for these troubles ever offered the public. Easy to use and agreeable. If you cannot get it at your dealers it will be sent post free on receipt of price (50 cents and $1 per bottle) by addressing

To Our Subscribers.

The SPECIAL ANNOUNCEMENT which appeared in our columns some time since, announcing a special arrangement with Dr. B. J. KENDALL Co., of Enosburgh Falls, Vt., publishers of "A Treatise on the Horse and his Diseases," whereby our subscribers were enabled to obtain a copy of that valuable work FREE by sending their address to B. J KENDALL Co. (and enclosing a two cent stamp for mailing same) is renewed for a limited period. We trust all will avail themselves of the opportunity of obtaining this valuable work. To every lover of the Horse it is indispensable, as it treats in a simple manner all the diseases which afflict this noble animal. Its phenominal sale throughout the United States and Canada, make it standard authority. *Mention this paper when sending for "Treatise."* 45-13

The Wilson Scales.

We would call attention to the advertisment of the Wilson scales. We seldom say anything in favor of articles advertised in this paper; but we cannot refrain from saying something in favor of the improved Wilson scales, because any person having anything to do with scales will acknowledge them as a true standard of correctness, and the largest concerns in the country are using them in preference to any other make. We would like every farmer to have one of them in his barn, and not take the word of the buyer every time he comes to town to sell his grain.
