C. C. RICHARDS & Co.

GENTS.—I certify that MINARD'S LINIMENT cured my daughter of a severe and what appeared to be a fatal attack of diphtheria after all other remedies had failed, and recommended it to all who may be afflicted with that terrible disease. JOHN D. BOUTILIER, French Village, Jan., 1883.

Mr. Mercier proposes to "stone" or macadamize the Quebec roads. The enterprise is a tremendous one, involving the ultimate expenditure of millions of dollars. It is worthy of note that, in this province, the people are required, through their municipal councils, to repair the highways. We pay our way as we go, by direct taxation. In Quebec the inhabitants are taught to look to the provincial treasury, and though the provincial treasury to the Dominion exchequer, for public works. The difference in the policy pursued explains in part the difference in the condition of the two provincial money chests.

Prof. Loissette's MEMORY

DISCOVERY AND TRAINING METHOD
In spite of uncorrected imitations which cause the theory and practical results of the Original, in spite of the grossest misrepresentations by unscrupulous competitors, and in spite of "base attempts to rob the fruit of its labor," (all of which demonstrate the undoubted superiority and popularity of his teaching), Prof. Loissette's Art of Never Forgetting is recognized today in both Hemispheres as marking an Epoch in Memory Culture. His Prospectus (sent post free) gives opinions of people in all parts of the globe who have actually studied his System by correspondence, showing that his system is not only reliable, being studied, but afterwards; that any book can be learned in a single reading, and memorized in a few days. A Fact

WORTH knowing is that blood diseases which all other remedies fail to cure, yield to Ayer's Sarsaparilla.

Fresh confirmation of this statement comes to hand daily. Even such deep-seated and stubborn complaints as Rheumatism, Rheumatic Gout, and the like, are thoroughly eradicated by the use of this wonderful alternative.

Mrs. R. Irving writes: "120 West 25th street, New York, certifies:—

"About two years ago, after suffering for nearly two years from rheumatic gout, being able to walk only with great discomfort, and having tried various remedies, including mineral waters, without relief, I saw by an advertisement in a Chicago paper that a man had been relieved of this distressing complaint, after long suffering, by taking Ayer's Sarsaparilla. I then decided to make a trial of this medicine, and took it regularly for eight months. I am pleased to say that it effected a complete cure, and that I have since had no return of the disease."

Mrs. L. A. Stark, Nashua, N. H., writes: "One year ago I was taken ill with rheumatism, being confined to my house six months. I came out of the sickness very much debilitated, with no appetite, and my system disordered in every way. I commenced to use Ayer's Sarsaparilla and began to improve at once, gaining in strength and soon recovering my usual health. I cannot say too much in praise of this well-known medicine."

I have taken a great deal of medicine, but nothing has done me so much good as Ayer's Sarsaparilla. I felt its beneficial effects before I had quite finished one bottle, and I can freely testify that it is the best blood-medicine I know of.—L. W. Ward, Sr., Woodland, Texas.
