Leading physicians recommend Aver's Sarsipirilli. Old and young take it with perfect safety. It cleanses the blood, strengthens the nerves, and vitalizes the system. Popular experience has long placed this medicine at the head of tonic alteratives.

## The Wilson Scales.

We would call attention to the adver tisment of the Wilson scales. We seidom say anything in favor of articles advertised in this paper; but we cannot refrain from saying something in favor of the improved Wilson scales, because any person having anything to do with scales will acknowledge them as a true standard of correctness, and the largest concerns in the country are using them in preference to any other make. We would like every farmer to have one of them in his barn, and not take the word of the buyer every time he comes to town to sell his grain.

Pectoral. Colds, Coughs, Croup, and Sore Throat are, in most cases, im-

ing and induces refreshing rest. "I have used Aver's Cherry Pecteral in my family for thirty years and have always found it the best remedy for croup, to which complaint my children have been subject."-Capt. U. Carley,

"From an experience of over thirty years in the sale of proprietary medicines, I feel justified in recommending Ayer's Cherry Pectoral. One of the best recommendations of the Pectoral is the enduring quality of its popularity, it being more salable now than it was twenty-five years ago, when its great success was considered marvelous."-R. S. Drake, M. D., Beliot, Kans.

Brooklyn, N. Y.

"My little sister, four years of age, was so ill from bronchitis that we had almost given up hope of her recovery. Our family physician, a skilful man and of large experience, pronounced it useless to give her any more medicine; saving that he had done all it was pessible to do, and we must prepare for the worst. As a last resort, we determined to try Ayer's Cherry Pectoral, and I can truly say, with the most happy results. After taking a few doses she seemed to breathe easier, and, within a week, was out of danger. We continued giving the Pectoral until satisfied she was entirely well. This has given me unbounded faith in the preparation, and I recommend it confidently to my customers."-C. Q. Lepper, Druggist, Fort Wayne, Ind. For Colds and Coughs, take
