On Wednesday morning last about 3 o'clock, a barn and shed belonging to Samuel Cherry, Garnet, was destroyed by fire. The loss is estimated at about \$800; and was insured for \$100. The cause is not known, but is supposed to be the work of a tramp.

The Bell Telephone Co. of Canada, having heard that certain unauthorized parties are getting out lists of its subscribers for the sake of the advertisements to be obtained through this medium, has copyrighted all its Subscribers Directories and will prosecute any infringers.

At a meeting of the Jarvis fire brigade held on Wednesday night last, the following officers were elected for the ensuing year: B. Millenbacher, president; J. W. Rodgers, Vice-president; J. B. McMicken, secretary-treasurer; T. E. Knaggs, captain; T. Underhill, 1st. Lieut.; H. Nelson, 2nd. Lieut.; A. Underhill, 1st. foreman; A. Bourne, 2nd foreman.

SWINDLE.—The latest swindle is for an alleged agent of a lightning rod company to call on a farmer and say he was sent by the company to examine the rods on the premises. When he has "examined," he asks the farmer to sign a statement that the rods are in a bad condition, which statement afterwards turns up as a promissory note.—Georgetown Herald.

In the village of Jarvis they need street lamps, and the village authorities haven't the necessary energy to provide them. So the young ladies of the place have undertaken to dispel the darkness by giving a grand concert, the proceeds of which are to be devoted to the purchase of street lamps. If the new railway committee of this town doesn't show more snap than the old, our young ladies may be compelled to imitate the example of their public-spirited Jarvis sisters.—Spectator.

INSURANCE MEETING.—The annual meeting of the Erie Farmers' Mutual Fire Insurance Company will be held at the Town Hall, Rainham Centre, on Saturday, Jan. 25th, 1890, at one o'clock p.m. Business—election of directors and auditors for the present year, and receiving the annual report, etc. J. W. HOLMES, Secretary.

At the annual meeting of the Woodhouse Agricultural Society the following officers were elected: President, R. Waddle, senr.; Vice-President, Clark Matthews; Treasurer, Ozias Ansley; Directors, A. T. Ball, Wm. Corbett, R. Nixon, A. Petrie, G. W. Henderson, Wm. Watts, Oliver Austin, T. M. England and Thomas Puzey.

The concert held in the Music Hall on Friday evening last in aid of the street lamp fund was a success, though not so well attended as was expected, owing no doubt to the fact that so many of our citizens were laid up with "the grippe." The choir was filled by Rev. J. Wells, who delivered a short address. There were some changes made in the programme on account of some not being able to present. The singing of the Misses Morrison was good and liberally applauded, and we do not hesitate to say such talent is a credit to our town. Also the singing of Miss Jones was excellent and heartily encored. The readings by Miss Heartwell, Miss Hutton and Dr. Gamble were enjoyed immensely by the audience. The tableaux "Mistletoe Bough," was well performed by those who took part. The instrumental selections given by J. Jackson, mouth organ and banjo, T. E. Knaggs, flute, and W. Hull, cornet, were loudly applauded. Jos. Jacques gave a reading also a stump speech in his usual good style and received rounds of applause. The concert was brought to a close by singing "God Save the Queen." The proceeds of the evening amounting to about \$30, and we believe several who were unable to attend the concert have since helped to swell the funds. The young ladies who went to so much trouble in getting up this concert deserve great credit for the able and efficient manner in which everything was carried out.

The anniversary services and social entertainment in connection with Knox Church, Jarvis, will be held on Sabbath and Monday, the 2nd and 3rd February. On Sabbath, the 2nd Feb., the Rev. Dr. Fraser, of Hamilton, will preach both forenoon and evening. It will be the first time that this eloquent divine has preached in this section of the province, and the public should not miss this opportunity of hearing this preacher. On Monday, Feb. 3rd, a grand supper under the auspices of the ladies of the congregation will be served in the basement from 5 to 8 o'clock, after which there will be held in the church the usual entertainment consisting of addresses, singing, &c. The excellence of their suppers and entertainments in former years is too well known to need any recommendation, and the ladies will endeavor to make the supper and entertainment this year a greater success than even previous ones were. Dr. Fraser, who electrified the audience with his address at the entertainment last year, will be present this year and favor the audience with another of his eloquent and racy addresses. The ladies have also for that evening secured the services of Professor Johnstone, the celebrated baritone singer and ventriloquist. Other speakers and singers will be present to entertain the audience. One of the best, if not the very best supper and entertainment that ever was provided for the public in Jarvis will be provided that evening. They cannot fail to draw a crowded house and to send every one home well satisfied and wishing for another one. Admission 40c. See posters for further particulars.
