The Caledonia Hook and Ladder Co. passed through here yesterday on their way to Aylmer to take part in the Firemen's tournament.

The early closing movement has been inaugurated in Tilsonburg, and the stores close at 7.30 p.m. Why cannot the Jarvis merchants adopt this movement?

Little Lord Fauntleroy was presented in the Music hall on Monday evening, under the auspices of the firemen, to a very small audience. The company is a good one and deserved a full house.

The junior base ball team visited Waterford on Saturday and played a five inning game with the juniors of that place, defeating them by a score of 12 to 6.

The Michigan Central employees held a meeting at St. Thomas the other evening and decided to hold their annual excursion on or about the 18th of July, Detroit being the place chosen.

The C. Prince Arthur entertainment that was to have taken place on Wednesday evening last was postponed on account of the strawberry festival. It will be here again shortly. Look out for it and don't miss it.

The strawberry festival held on the parsonage grounds of St. Paul's church, on Wednesday evening last, was fairly well attended. The Firemen's Band was in attendance and enlivened the occasion in their usual manner. A good time was spent by those present. Proceeds amounted to about \$50.

A fine of \$20 and costs, to be paid in 10 days, or spend one month in jail, was imposed on W. Hooker, of Scotland, and G. F. Delvin, Mt. Pleasant, for selling Paris green contrary to the Ontario Pharmacy Act, and on J. A. Eddy, of Scotland, for selling carbolic acid contrary to the same act.—Ex.

Outside of an orphan asylum the softest snap enjoyed by any of the census enumerators was that of the Virginian who ran across Mrs. Martha Gray and her 37 children. She has been married three times and had triplets six times and twins six times. She ought to have a pension.

"Why don't you run a newspaper like that? Said a grocer in a country town to the local editor, throwing out a Toronto daily. "For the reason that, if you don't run a grocery like that," the editor replied turning to a five column advertisement of a Toronto house showing a six story building. The grocer looked attentively at the advertisement and then said: "I never looked at it in that way before."

Miniard's Liniment for Rheumatism.

The crops are looking very fair in this vicinity.

Stephen Townsend, South Middleton, cut from an elm tree and successfully hived a fine swarm of bees. In the tree was a comb nearly four feet in length, but no honey.

The apple crop is a complete failure in Welland county. The light frost and cold, wet weather are given as the cause. The loss of the apple is a serious one to the community.

No matter what may be the ill you bear from indigestion, a dose of Ayer's Cathartic Pills will ease you without question. Just try them once and be assured; they have much worse dyspeptics cured. You'll find them nice and amply worth the price.

A garden party was held on the lawn of Mr. Anderson, near Balmoral on Thursday evening last, under the auspices of the Nelles' Corners base ball club. There was a fair attendance and a pleasant evening spent. A number was present from Jarvis and Hagersville.

A school boy's composition on "The Editor" reads as follows: "The editor is one of the happiest beggars in the world. He can go to the circus in the afternoon and evening without paying a farthing, also to the inequities and hangings. He has free tickets to the theatres, gets wedding cake sent to him and sometimes gets licked, but not often, for he can take things back in the next issue. While other folks have to go to bed early, the editor can sit up every night and see all that is going on."

Canada's Great Fair.—The receipt of a copy of the Prize List for this year's Toronto Industrial Exhibition, which is to be held from the 8th to the 20th of September next, reminds us that the fair season is again fast approaching. The Prize List shows the addition of many new classes and a large increase in the amount offered as premiums. Toronto offers many attractions to visitors during the season, but the greatest of all is its annual Exhibition which this year promises to be greater and better than ever. A copy of the Prize List can be obtained by any of our readers, who may desire one, by dropping a post card to Mr. H. J. Hill, the Secretary, at Toronto.

H. J. W., Caledonia.—A and B are two opposing baseball teams. At the end of the sixth inning the score stood 8 to 7 in favor of A. In the seventh inning A was blanked and B then went in and had scored three runs when the game was called on account of darkness and before B was retired, the seventh inning not being completed. Which side won the game? B won by a score of 10 to 8. See rule 25.

The above was written from Caledonia and appeared in the Toronto Empire of June 26th, in regard to the game played here on the 23rd between Caledonia and Jarvis. At the end of the sixth inning Caledonia was one run ahead. Jarvis failed to score in the seventh, and Jarvis added three runs with no men out. Caledonia was then anxious to have the game called, thinking that the seventh not being completed the game would be decided on the previous inning. The Empire justly decided it on the seventh in favor of the Jarvis team.
