Women's Cause.

Since drunkenness comes first and hardest upon woman, since it is to her what a swine is to a garden, rooting up every sweet blossom and destroying every fruit, and making a wilderness of the garden of the Lord, I have a right to say to every young woman: By your look, by your word and by your act bear testimony and exert your influence against intemperance. Let not your fair hand, that yet one day shall go out in pledge, convey to another the cup which shall desolate and destroy the household.
