The High and Public School opened on Monday. Overcoats got an airing on Saturday night and Sunday.

The RECORD for the balance of the year for 30 cents cash. See the new advertisement of N. B. Scofield in another column.

Miss Carrie Cherry, of Garnet, is visiting with friends at Black Rock, N. Y.

Toronto's Industrial Exhibition starts next Monday and continues for two weeks.

Three loads of private picnickers went to Fisher's Glen on Thursday last from town.

The Manitoba Exhibit will be one of the attractions at the Fair here on Oct. 7 and 8.

Geo. Henning, of the Exchange hotel, is driving the Wassar at the St. Thomas races this week.

We are informed that Mr. E. Rodgers is rushing the Garnet school house towards completion.

Correspondents will remember that we do not make any charge for news when it is substantial.

Don't forget the Harvest Thanksgiving Service and Festival to-morrow evening, (Thursday).

St. Paul's Church Harvest Thanksgiving Service and Festival Thursday evening. A good time expected.

The following motto can be seen in a shop on Ontario street: "In God we trust; all others cash down."—Kingston Whig.

The prize list of the Walpole Agricultural Society's Fall Fair is in the hands of the printer and will be out in a few days.

BLU HEADS!—Low in price, excellent in quality, neatness in printing, promptness in delivery, at the RECORD office.

WANTED.—Steel & Sowter will pay cash for any amount of good white ash tongues, oak scantling and plunks. Must be good. 362

See J. A. Burwash's change of advt this week. The millinery rooms will open on the 16th inst. under the management of Miss Baker, of London.

Mr. N. T. Parker, of Simcoe, arrived home last Wednesday from the principal horse markets in England. He brought with him twelve shire stallions.

The Telephone line between Hamilton and Jarvis was completed on Friday and Ben's gentle voice can be heard occasionally saying "Hello, Hamilton."

The Baptist tea-meeting held at Cheapside on Wednesday evening last was a fair success, the proceeds amounting to \$50. A social was held Thursday evening, proceeds amounting to \$8.

A band of wandering gypsies struck the town on Wednesday last with half a dozen dancing bears and for an hour or so you would think Barnum's circus or something else had struck town, but we think it was something else.

Tuesday of last week was Aymer Civic Holiday and under the auspices of the Sons of England an excursion party of about 300 came down on a special train to Port Dover and enjoyed themselves at Orchard Beach.

The concert given in the Pavilion Rink at Orchard Beach, last Wednesday night, in aid of the building fund of St. Cecilia's Church here, was undoubtedly the most largely attended and successful ever held in Port Dover.—Maple Leaf.

What might have been a serious accident occurred to Miss Ethel Foads, who is the guest of her sister, Mrs. J. C. Mills, on Thursday, while out horse back riding she lost her balance and fell to the hard road lighting on her head and shoulders, escaping with a severe shaking up.

To avoid catching cold, many plans have been suggested. Probably if one never went anywhere or did anything out of the usual routine of life, they would be free from many ailments that flesh is heir to, but this is not a satisfactory solution of the question. People must have recreation and enjoyment, and frequently catch cold in the pursuit of them. Wilson's Wild Cherry will cure a Cough or Cold in the shortest possible time, and by its tonic effects, strengthen and invigorate the system at the same time. Sold by all druggists, in white wrappers.

Don't forget that 30 cts. cash will send you the RECORD for the balance of the year.

Vancouver World:—"Tr. Montague, M. P. for Haldimand, who purposes taking up his residence in this city shortly is a prominent member of the Independent Order of Foresters, an organization which is becoming a strong one in Eastern Canada."

The Simcoe, contingent who took in the Chicago races and saw Keno F. defeat Alvin have not lost faith in the Simcoe horse. They say with a fair field and no favor he is the best horse that started in his class that day; but one horse cannot win against a whole field.—Reformer.

We have often wondered why Hagersville has so many Indians on her streets. You can go there at any time and you will always find her streets lined with Indians. Well, we have found a solution to the same in an article in last week's News, headed "The price at which Hagersville is moving." The town is growing so fast that it is crowding the Indians off their reserve, leaving a few idlers to wander about the little ville.

The Salvation Army have adapted the tune of "Little Annie Rooney" and the words "She's my sweetheart, I'm her beau; she's my Annie, I'm her Joe," have been translated for the purposes of the Army to read: "He's my Jesus, He's my Lord; He's my Saviour, He's my God." Some people may have an idea that this is a bit sacrilegious, but the Army believes in anything to save sinners, and so everything goes.

We want a correspondent to THE RECORD from every village and corner in the township; secretaries of Lodges to offer something now and again for the good of their order; teachers who will send in short, brief reports of their schools; ministers to send in an odd marriage notice now and again; doctors to add to the birth column occasionally. There is room for each, room for all, room for everyone.

On Monday the portion of the Northern & North-western division, from Port Dover to Georgetown, passed under the jurisdiction of Superintendent Stiff and became a portion of the Southern division. The Southern division at present contains all the Grand Trunk lines, in Ontario south of the main line between Toronto and Sarnia. The only exception to this is the N. & N. W. line south from Georgetown through Hamilton to Port Dover. This will now be placed under Mr. Stiff's charge.

THE COMING ENCITEMENT.—The trial of Birchell for the murder of F. C. Benwell, takes place at Woodstock Fall Assizes, which will open on Thursday Sept. 18th, Justice MacMahon presiding. The following counsel will be engaged in the case:—For the Crown—B. B. Osler, J. R. Cartwright, Deputy Attorney-General, and F. B. Dill, county attorney. For the defence—Frey & Hellmuth, of London; Mr. Blackstock, of Toronto, and Mr. Hinkle, of Woodstock. It is expected that about twenty reporters will be present to represent as many different papers at the trial.
