## This Being the First Time We Have Addressed You Through the Medium of the "Jarvis Record"

We think it advisable to let you know as clearly as possible our system of doing business as we have our own peculiar way which we think is for the benefit of our customers. Our goods are all sold at one price to every person, we make no deviation from this rule. In years gone by we made an allowance of 10 per cent. discount to druggists, store keepers and dress makers, (an allowance which is made to-day by many merchants), this we found an unjust allowance to the rest of our customers as it meant that we were forced to mark our goods at higher prices in order that it might cover discounts given to these people, thus by this system of one price to all we are enabled to give you the keenest prices to be obtained. Then no goods are charged to any one whether the millionaire or pauper. We carry a stock of about \$130,000 worth of DRY GOODS, MILLINERY, MANTLES, CARPETS, CLOTHING, BOOTS AND SHOES. Our stores are well lighted and every attention is given to visitors even if they have no wish to purchase. Our facilities for buying in the European markets are such that we can place before you the very latest fashions of fashion at the lowest possible figure. Any reader of this paper wishing a price list of goods handled by us can have it by dropping a postal card with name and address and the same will be forwarded free of charge.

## People Wonder

WHEN they find how rapidly health is restored by taking Ayer's Sarsaparilla. The reason is that this preparation contains only the purest and most powerful alteratives and tonics. To thousands yearly it proves a veritable elixir of life.

Mrs. J. W. Lake, Brockway Centre, Mich., writes: "Liver complaint and indigestion made my life a burden and came near ending my existence. For more than four years I suffered untold agony. I was reduced almost to a skeleton, and hardly had strength to drag myself about. All kinds of food distressed me, and only the most delicate could be digested at all. Within the time mentioned several physicians treated me without giving relief. Nothing that I took seemed to do any permanent good until I began the use of Ayer's Sarsaparilla, which has produced wonderful results. Soon after commencing to take the Sarsaparilla I could see an

## Improvement

In my condition, my appetite began to return and with it came the ability to digest all the food taken, my strength improved each day, and after a few months of faithful attention to your directions, I found myself a well woman, able to attend to all household duties. The medicine has given me a new lease of life, and I cannot thank you too much.

"We, the undersigned, citizens of Brockway Centre, Mich., hereby certify that the above statement, made by Mrs. Lake, is true in every particular and entitled to full credence."—O. P. Chamberlain, G. W. Waring, C. A. Wells, Druggists.

"My brother, in England, was, for a long time, unable to attend to his occupation, by reason of sores on his foot. I sent him Ayer's Almanac and the testimonials it contained induced him to try Ayer's Sarsaparilla. After using it a little while, he was cured, and is now a well man, working in a sugar mill at Brisbane, Queensland, Australia."—A. Attewell, Sharbot Lake, Ontario.
