### AROUND THE HUB.

The small boy is out with his sleigh.  
Minard's Liniment cures Diphtheria.  
Mr. Sim Benn, of Simcoe, was in  
town Sunday.

The merry jingle of the sleigh bells  
is heard once more.

R. G. DeCeu, of Hagersville, moved  
his family to Barrie last week.

Dunnville is making a move towards  
the establishment of a canning factory.

The Patrons of Industry have organ-  
ized lodges at Madstreet and Spring-  
vale.

Our streets presented quite a lively  
appearance on Saturday on account of  
the snow.

The next meeting of the Walpole  
Council will be held on Monday, the  
14th inst.

Wm. Ineson returned to his home in  
Jarvis on Monday evening from the  
Northwest.

County Court and General Sessions  
with jury open at Cayuga on Tuesday,  
8th December.

Monday was St. Andrew's Day.  
Service was held in St. Paul's Church  
in the evening.

The Haldimand election trial will  
take place on Monday, the 21st inst.,  
at the Court House, Cayuga.

Three weeks from Friday next will  
be Christmas, when peace and good-will  
should abide in every household.

The latest crop bulletin estimates that  
the Canadian Northwest has had a crop  
of 30,000,000 bushels of wheat.

Miss Knaggs, returned to her home in  
Meaford on Thursday last after  
spending about five weeks with friends  
in Jarvis.

The Misses Scatter, of Hagersville,  
were the guests of their sister, Mrs.  
(Dr.) Jacques in this village during the  
past week.

Mrs. Eli McPherson, of Woodhouse,  
has received \$1,000 from the I. O. F.,  
being the insurance on the life of her  
late husband.

FOR SALE.—Six pounds finest granu-  
lated, or seven pounds nice yellow sugar  
for a quarter. Hamilton Tea Company,  
Hamilton. 28-1yr.

The garden gate has ceased to be late  
A load of love to bear.

But double weight is now the fate  
Of many a parlor chair.

Since Saturday morning the boys  
have been out with their skates and  
sleighs on the sidewalk and appear to  
be making use of the snow while it  
lasts.

Municipal election matters have not  
yet been stirred up. It is probable,  
however, that a good crop of candidates  
will spring up within the next few  
weeks.

Mr. Hugh Scott, of Caledonia, has  
recently the farm of the late Wm. Moore  
near that village, and will take possession  
shortly. It will be used as a stock  
farm.

The Jarvis Grist Mill is still running.  
We are giving 40 lbs. of first-class flour,  
10 lbs. bran and 3 lbs. shorts, per 60 lbs.  
good wheat. Chopping 7c. per 100 lbs.

Thomas C. Watkins and McKay Bros.,  
Hamilton, have a change of adv't in  
this issue. Read them. The attention  
of the ladies is especially directed to  
the adv't of McKay Bros.

A Vermont editor has invented a  
new way for stirring up delinquent  
subscribers. He writes obituary notices  
of them assuming that they must be  
dead, since he does not hear from them.

The Jarvis Record and Weekly  
Empire will be sent to subscribers from  
now until Jan. 1st, 1893, for \$1.75.  
This will include the beautiful memorial  
album issued as a souvenir by the  
Empire.

The School Board of Brantford intend  
to prosecute the employer of any boy  
under 14 years of age who is found  
peddling bills or doing any work during  
school hours. The penalty is \$20 for  
the employer.

Holiday goods are already beginning  
to make their appearance in the win-  
dows of our stores. Watch the columns  
of the Record and keep posted as to  
where the choicest goods at the lowest  
prices may be had.

Mr. Jonathan Booth shipped a car  
load of good blocky mares from Hagers-  
ville station yesterday to the North  
west. They were purchased at Jarvis  
and Hagersville, and among them were  
some very nice animals.

The Eureka Novelty and Specialty  
Co., appeared in the Music Hall, on  
Tuesday evening last. The balancing,  
tumbling and club swinging were good  
and were heartily applauded. The  
attendance was not large.

Jarvis Record from now till the end  
of 1892, also the great premium picture,

1892.

rates. Call in and see what advantage  
it is to subscribe through us.

In these times of municipal politics  
and anxious candidates it is safest to  
leave your vote and influence at home,  
or you are liable to give it away in a  
dozen places.

An exchange tells of a printing office  
in Kentucky being opened with prayer.  
This is a rare exception to the rule, as  
from time immemorial it has been the  
custom of printing offices to be opened  
by the devil and closed by the sheriff.

Since Dunnville has struck natural  
gas all the towns around us have been  
trying to form companies and start  
boiling. Cayuga has commenced boring  
and Caledonia, Hagersville, Simcoe,  
Port Dover and Selkirk are agitating  
for it. Jarvis is not in it.

Trip-hammer advertising is the kind  
that creates industries that make us  
marvel at their magnitude. How long  
would it take to shape the hot iron if  
a stroke was given this week and  
another six months hence? Constant  
pounding is what does the business.

There is a counterfeit \$1 Dominion  
Bank note in circulation. The official  
description of the note says:—"The  
paper is poor and the printing inferior,  
while the portrait of Lady Dufferin in  
the centre is wretchedly executed. The  
scroll work, too, is bad; and the space  
left for the signature of the Deputy  
Minister of Finance is blank."

J. D. Crichton, who has been a valued  
citizen of this village for a number of  
years, moved his family to Hagersville  
last week, where he is running a livery  
business. On the eve of his departure  
an oyster supper was tendered him at  
the Exchange Hotel, where a large  
number of his friends had gathered,  
who regret his departure from the  
village.

A black nap overcoat, velvet collar,  
and a cap were stolen from the resi-  
dence of Rev. Father Corcoran, Port  
Dover Junction, on Tuesday night.  
Several articles were stolen from the  
clothes line of the agent of the M.C.R.  
the same night. The thief also stole  
chickens and other good things from  
the priest's residence, lit a fire in the  
school house and had a good time.

St. Paul's Church-Sunday School will  
have their usual annual Xmas Tee  
and entertainment in the Music Hall,  
Jarvis, on Monday evening, Dec. 14th.  
The Rev. Mr. Caswell of Brantford has  
promised to be present and deliver an  
address and also exhibit a number of  
views by magic lantern which have  
been greatly appreciated wherever he  
has lectured. Look out for posters  
next week.

A grand tea-meeting will be held in  
the Methodist Church, Nanticoke, on  
Thursday Ev'g, Dec. 10th. Music will  
be furnished by the choir. Addresses  
will be delivered by Rev. J. A. Jackson,  
Simcoe, Rev. J. H. Robinson, Hagers-  
ville, and others. Tea served from 5  
to 7 p.m. Admission 25c., children  
under 12 years, 15c. Proceeds in aid  
of repairing the church. Rev. C. R.  
Morrow, pastor.

During the past few days we have  
experienced some very cold winter  
weather. On Saturday morning last  
the ground was covered with about  
six inches of snow, and the merry  
jingle of the sleigh bells has since been  
heard on our streets. The sleighing  
has not been very good on account of  
the rough state of the roads, however,  
a great deal of driving has been done.  
May it continue.

Pratt & Watkins, Hamilton, have this  
week placed an advertisement in the  
Record for the first time, to which we  
respectfully call the attention of our  
readers. Any reader of this paper  
wishing a price list of goods handled by  
them can have it by dropping a postal  
card with name and address and the  
same will be forwarded free of charge.  
Read their adv't carefully on another  
page of this issue.

An exchange puts it this way: "In  
order to kill a town, all you have to do  
is simply to undertake every present  
and prospective enterprise, speak ill of  
the churches and schools; tell every-  
body the hotels are bad; enlarge the  
vices of the people, especially the young  
people; withhold the patronage from  
your merchants and tradesmen, and  
buy your goods and groceries at some  
other place; never subscribe for the  
local papers, and if you are in business  
refuse to advertise."

A man whose name, occupation and  
general description are the same as  
those of Corydon W. Smith, who was  
sentenced by P. M. Hare last spring to  
a term in the Central Prison for va-  
grancy, and who was released from  
durance vile upon having his case  
appealed to a higher court, is now  
giving vent to his outraged feelings in  
Cleveland over having married a girl  
who had a living husband. He said  
he should have committed suicide only  
that it was an unpardonable sin and  
would bring disgrace on his friends who  
live in Ontario.—Tilsonburg Observer.  
He is well known in Jarvis and vicinity.
