Cheapside Chips.

Rev. Mr. Wright, of Selkirk, preached
to a large audience on Sunday last at
the Methodist Church in this village.

An At Home entertainment was held
in Drinkwater's Hall on Monday ev'g.
It was well attended considering the
rough weather and a pleasant evening
was spent.

The Chosen Friends are making
great preparation for their entertain-
ment on Wednesday ev'g the 16th inst.
Oysters will be plentiful as they have
purchased 25 gallons for that evening.

Somebody was kind enough to believe
Sidney Silverthorn of his Christmas
goose the other evening. We heard
it was roasted and carved in an empty
dwelling north of this village.

The Patrons of Industry are prosper-
ing in great style in S. S. No. 4, north
of this village, they are at present over
one hundred members strong.

We understand that several of our
fair damsels have been approach-
ed lately by a widower from the west
enquiring if they were in the market.
He received the reply from one that
she was if the right man came along.
The gentleman drove eastward in the
direction of Cheapside.

PERINE.

Always at the Front.

We have received a copy of the hand-
somer illustrated prospectus for 1892
issued by the Detroit Free Press. The
achievements of this famous paper in
the past have been great, but if its
promises for the future are to be fulfilled
—and there certainly is no reason to
expect the contrary—The Detroit Free
Press will in 1892 be, as its publishers
confidently claim, the most entertaining
and instructive paper published, giving
additional pleasures to its thousand of
old subscribers and fresh enjoyment to
the many thousand new ones that its
merits deserve. Its list of contributors
for 1892 includes many of the most
famous names in American literary and
public life, and most of the articles to
be published are of unusual importance
and interest, presenting a splendid
array of valuable features in addition
to the inimitable work done by its own
staff of bright and famous writers.
The publishers of The Free Press will
mail copies of the paper and prospectus
to all applicants.

Here is a Mystery.

PORT ROWAN, Ont., Dec. 9.—Mr. D.
A. McCaig, of St. Williams, had occasion
to drive to Turkey Point to-day. The
road winds through a lonely cedar
growth. He noticed a fresh wagon
track turn off in the thick cedars. He
followed the track to see where it went,
and did not proceed far before he came
to what appeared to be fresh dirt thrown
up like a grave, and he dug down
sufficiently to find a box with the body
of a man in it, well dressed and about
40 years old. No further particulars
have been learned. Many here dis-
believe the report.

Boys Can Make Money Fast.

Any active boy can make plenty of
money in his neighborhood by re-plating
tableware and jewelry with one of the
Magic Electric Plating Outfits. Those
who have already secured one of these
machines are making from \$20 to \$25
a week. The price of the plating outfit
is \$10, but we have arranged to supply
it to one boy only in each neighborhood
free for a few hours work, which can
be done after school or on Saturday.
No capital required. Any boy sending
his address and referring to some mer-
chant in his town as to honesty will
receive full particulars by return mail.
This is a permanent money making
business for the right kind of a boy.

TORIAL CO., Toronto, Ont. 51-3

Chief Douglas and Constable Jarvis,
of Port Hope, on Friday arrested a man
giving his name as J. S. Lawrence, on
suspicion of burglary. The man's lug-
gage contained all the implements
usually carried by burglars, and Law-
rence was placed in the cooler with a
good deal of satisfaction. During the
night he cut a hole through the ceiling
of his cell and got away by dashing
through a window. He was hotly
pursued, but has not yet been re-
captured.

Minard's Liniment for Rheumatism.

Mr. H. Glazebrook, a prominent far-
mer, living near Simcoe, declares the
farmers are making a great mistake in
joining the Patrons of Industry, and
that the sooner they get out of it the
less they will have to repent of. Time
will soon tell.

Scribner and McGill, the patent right
note manipulators who were convicted
on two charges of forgery, were sen-
tenced Saturday at Windsor by Judge
Horne. Scribner was given three years
at hard labor at Kingston. McGill was
let off with six months in the Central
Prison at Toronto.

On Saturday the wife of Mr. William
Miller, a farmer residing about five
miles east of Dunnville, while standing
over a bonfire, took a fit, falling in the
flames. She was horribly burned in
the face and body. It is doubtful
whether she will recover from the
effects of the burns.

Says an exchange while pondering
over the ups and downs of a country
printer's life:—Can any man tell us how
it is that, when so many men wish
credit, they trade at home, and when
they pay cash they go away? We
have noticed a good many times that a
man who takes a Toronto paper, pays
for it in advance, while his home paper
goes delinquent, as though it was an
accommodation to the publisher to send
it to him year after year for nothing.
Brace up brother and think of that
happy land where there will be no
delinquent subscribers.

The work of tunneling five miles
through the main range of the Rocky
Mountains for railway and wholesale
gold and silver mining purposes, goes
on day and night, and this without
state or government aid. More than
6,000 feet of the distance is already
driven and twenty-five veins of gold
and silver are already crossed. The
Denver, Apex & Western Railroad to
connect Denver with Salt Lake City at
a saving of 250 miles of distance by
using this tunnel, has agreed for its
use for twenty years, and to pay one
dollar for each passenger and fifty cents
per ton for each ton of freight taken
through it. The large illustrated 22-
page pamphlet sent to all who send two
cents therefor to Mark M. Pomeroy,
General Manager, Rooms 46, Pulitzer
Building, New York City, is wonderfully
interesting, instructive and suggestive
reading matter, telling as it does what
men are now doing day and night,
where they are working more than
2,000 feet perpendicularly below the
surface of Mount Kelso. Nearly 5,000
men, women and children are now
financially interested as owners of the
Atlantic Pacific Railway Tunnel and all
the properties of the Company.

For Sale.—Six pounds finest granu-
lated, or seven pounds nice yellow sugar
for a quarter. Hamilton Tea Company,

7th, William, beloved and eldest son of
Rev. John and Elizabeth McBride, in the
23rd year of his age.
