Important Facts

Please Read Them

We respectfully ask your careful attention to this statement, brief but important, and which we will divide into three parts, viz:

I, THE SITUATION; 2, THE NECES-SITY; 3 THE REMEDY.

1st. The Situation

Health depends upon the state of the blood. The blood conveys every element which goes to make up all the organs of the body, and it carries away all waste or dissolved and useless material. Every bone, muscle, nerve and tissue lives upon what the blood feeds to it. Moreover, every beating of the heart, every drawing of the breath, every thought flashing through the brain, needs a supply of pure blood, to be done rightly and well.

2d. The Necessity

The human race as a whole is in great need of a good blood purifier. There are about 2400 disorders incident to the human frame, the large majority arising from the impure or poisonous condition of the blood. Very few individuals enjoy perfect health, and fewer still have perfectly pure blood. Scrofula, a disease as old as antiquity, has been inherited by generation after generation, and manifests itself today virulent and virtually unchanged from its ancient forms. If we are so fortunate as to eacape hereditary impurities in the blood, we may contract disease from germs in the air we breathe, the food we eat, or the water we drink.

3d. The Remedy

In Hood's Sarsaparilla is found the medicine for all blood diseases. Its remarkable cures are its loudest praise. No remedy has ever had so great success, no medicine was ever accorded so great public patronage. Scrofula in its severest forms has yielded to its potent powers, blood poisoning and salt rheum and many other diseases have been permanently cured by it. If you want statements of cures, write to us. If you need a good blood purifier, take

Reeve Hartington's Elevation.

Loxbox, Dec. 23.—The death of the Duke of Devoushire, which transfers the Marquis of Hartington to the House of Lords is a card important political event. Policie is on both sides are busy force sting the ultimate results. There is little doubt felt that the Gladstoni is will be able to capture the District, of Rosend le when Lord Hartington enters the upper House. The district is one of the most R died in all the Lancishire divisions Lord Hartington was probably the only Unionist who could have been elected from it not so much through his personalty as through family influence. The Cavendishes have large estates in Lancashire and the lite duke stayed much at Holker Hall, one of his country seats, in that county. He also did much for the advancement of Burrow in-Furness and other Lancashire towns The marquis was tolerated rather than admired, however, by a large section of his constituents. The attitude of the 30 00 | electors was galling to him, and he cam! 20 00 in contact with them as seldom as possible. He has addressed the electorate only twice in the past five years.

Ayer's Pills. Travelers by land or sea are liable to constipation or other derangements of the stomach and bowels which, if neglected, lead to serious and often fatal consequences. The most sure means of correcting these evils is the use of Ayer's Cathartic Pills. The prudent sailing-master would as soon go to sea without his chronometer as without a supply of these Pills. Though prompt and energetic in operation, Ayer's Pills leave no ill effects; they are purely vegetable and sugar-coated; the safest medicine for old and young, at home or

"For eight years I was afflicted with constipation, which at last became so bad that the doctors could do no more for me. Then I began to take Ayer's Pills, and soon the bowels recovered their natural and regular action, so that now I am in

Excellent

health."-Mrs. C. E. Clark, Tewksbury.

"I regard Ayer's Pills as one of the most reliable general remedies of our times. They have been in use in my family for affections requiring a purgative, and have given unvarying satisfaction. We have found them an excellent remedy for colds and light fevers."—

W. R. Woodson, Fort Worth, Texas. "For several years I have relied more upon Ayer's Pills than upon anything else in the medicine chest, to regulate my bowels and those of the ship's crew. These Pills are not severe in their action, but do their work thoroughly. I have used them with good effect for the cure of rheumatism, kidney troubles, and dyspepsia."—Capt. Mueller, Steamship Felicia, New York City.

"I have found Ayer's Cathartic Pills to be a better family medicine for common use than any other pills within my knowledge. They are not only very effective, but safe and pleasant to take —qualities which must make them valued by the public."—Jules Hauel, Perfumer, Philadelphia, Pa.
