Mr. John Brown, of Woodhouse, purchased Mr. Thomas Hanna's farm in Welpole on Monday. The price paid was \$1,000.

The best medical authorities says the proper way to treat catarrh is to take a constitutional remedy, like Hood's Sarsaparilla.

FIRE! FIRE!—Great reductions in Dowding's ten cent counter. Don't forget the place, the photo gallery, next door to Park & Co's.

Mr. Jas. Whitwell, of this village, purchased a well-bred yearling colt by Diplomat on Friday last from Dr. Brown of Caledonia. Jim expects this one will make 'em all go some.

The grip is again around, and there is no certainty that it will not come this way once more. The only things to do, it would seem, are to keep up good nerve and take the best care possible of one's self in all respects.

If cooking schools are necessary, why are not washing, scrubbing, sewing, sweeping, dusting, and mending schools proper? A good housekeeper should be up on all these things. And then there is spanking! The future woman should be able to trounce her offspring according to the latest scientific discoveries.

We would respectfully call the path-master's attention to the sidewalk which was torn up the time of the fire. It should have been replaced long ago, but now would be a good time before the mud comes.

A school teacher in Perth County recently asked:—"Why was Lady Macdonald raised to the peerage after the death of her husband, the late Prime Minister of the Dominion?" The question was no sooner asked than one of the pupils answered:—"Please, ma'am, she was raised up so as to keep her out of the scandals at Ottawa."

Mr. and Mrs. T. E. Morrow wish to express their sincere thanks to their friends and neighbors for the kindness and sympathy shown by them in the sickness and death of their beloved daughter, Ada. They also take this opportunity of expressing their thanks to Drs. Howell for their kind attention during her illness.

Ivey acted as chairman, and in a short address urged that the children be sent to school.
