AROUND THE HUB.

Cold weather we're havin'. Vacant houses are filling up. Waterford is agitating for a reading room. Five weeks from next Friday will be Christmas.

Now is the time to commence advertising your Xmas attractions. Gus. Weil shipped a fine car load of sheep from this station on Monday.

Rev. Mr. McClellan, of Comber, preached in Knox Church on Sunday. He will also occupy the pulpit on Sunday next.

The cold winds of yesterday reminds us that straw hats and linen dusters should be hid away and something warmer substituted.

The RECORD is clubbed with all the leading papers in Canada at lowest rates. Call in and see what advantage it is to subscribe through us.

Busy dealing out bargains: tremendous sacrifice in copper boilers, copper tea-kettles, lanterns and tinware. All stock reduced. PEDLOW & Co.

A happy load of the fair sex from Hagersville visited Jarvis on Thanksgiving day, and evidently spent a very pleasant day with friends in the village.

The anniversary services of Simcoe Street Methodist Sunday School, Hamilton, were held on Sunday. Rev. C. R. Morrow, of Jarvis, preached the sermons.

On Thursday evening, Nov. 26th, Bro. John Wilson, D.D.G.M.W., will pay an official visit to Jarvis Lodge, No. 65, A.O.U.W. A full attendance is requested.

In some localities the wheat plant is getting such a growth that there is danger of it smothering during the winter, hence farmers are pasturing their stock on it.

The Jarvis Grist Mill is still running. We are giving 40 lbs. of first-class flour, 10 lbs. bran and 3 lbs. shorts, per 60 lbs. good wheat. Chopping 7c. per 100 lbs. G. COLES, miller. 47-3

Read the advt. of Jas. Graydon, of the Jarvis Mills in another column. Contractors and others will do well by giving him a call when in want of anything in his line before purchasing elsewhere.

Monday's rain was a welcome visitor to the people of this section, continuing all day and night. There was a light fall of snow yesterday morning which was followed by strong winds and much colder weather.

Come and inspect our stock; slaughtering prices in stoves of all kinds, the latest and best; and a full stock to choose from. PEDLOW & Co.

Marriage is a divine institution, but but it is hard to divine some people's reason for ever having entered it.—Boston Transcript.

Messrs. Carmody, the gentlemen who had the contract for the Danville company, have been awarded the contract of putting down a gas well in Cayuga. Work will be commenced at once.

The Court of Revision for the purpose of revising the Dominion Voters' List for the Township of Walpole was held by His Honor Judge Upper in the Music Hall on Friday and Saturday last.

The JARVIS RECORD and Weekly Empire will be sent to subscribers from now until Jan. 1st, 1892, for \$1.75. This will include the beautiful memorial album issued as a souvenir by the Empire.

It was reported in Jarvis on Monday evening that George Boyd, formerly of this village, now brakeman on the G.T.R. had the misfortune to have his left arm taken off between the shoulder and elbow while coupling cars in the yards at Toronto on Sunday night.

The mud has come and the sidewalk on Main street which was torn up the time of the fire has not yet been fixed, while pedestrians have either to wade through the mud or go a round-about way to get to the post-office. Pathmaster Stadler is awaiting funds from the township council to repair the same as new plank is needed. This is a slow way of getting anything done.

Thanksgiving Day passed off in the usual quiet manner. Services were held in the Methodist Church in the morning and in St. Paul's Church in the afternoon, and were fairly well attended. Quite a number of the sports took advantage of the holiday and went out for a day's hunting, but fortunately no accidents or "didn't know it was loaded" cases have been reported.

The Globe of the 5th inst., had this to say of Mr. John A. Murphy's examination at Law:—"Mr. John A. Murphy, Cayuga, governor, of the County jail, was yesterday receiving the congratulations of many friends on his recent brilliant success at the intermediate Law examination this week. Mr. Murphy passed first out of a class of thirty candidates, an achievement indicating much ability and promise."

Mr. Jos. Watson, of Walpole, accompanied by his son, John, left here on Saturday last with a car load of stock, farming utensils and household furniture, etc., for British Columbia, where he intends engaging in farming. Mrs. Watson and the remainder of the family will leave today. Mrs. Falls and daughter, Fanny, also leave to-day for Moosomin, Man., where her two sons and daughter reside who went out last spring. The RECORD joins their many friends in this vicinity in wishing all a safe journey to their new homes in the far west.

What might have proved a serious runaway occurred here on Wednesday morning last. Mr. Henry Ralston with his wife and child was returning to his home in Glanford township, near Hamilton, having been on a visit to his brother at Delhi. When near the G.T.R. station the horse became frightened of an engine and one of the lines breaking, Mr. Ralston jumped out to catch the animal by the head but fell and the beast turned and ran down street at a terrible speed, but was stopped in front of C. G. Allen's grocery store. Mrs. Ralston with the child in her arms was helped out of the buggy, who, though badly frightened was none the worse for her fast ride.

A gentleman speaking of the Jarvis High School Class says:—"The possibilities of the Class are its development into a High School that shall reflect credit upon the village, stimulate its growth, and confer upon the young people all the advantages of a higher education without the physical and moral dangers implied in seeking for it at outside institutions. These possibilities should and may be realized as the outcome of a natural development that will not impose any burden upon the people. All who are interested in the prosperity of Jarvis and all who have the welfare of their children at heart cannot afford to treat this matter with indifference."
