secured a good situation in a tailor
shop.

The merchants of this town anticipate
doing a large trade this fall judging
by the amount of goods being daily
received.

Jarvis.

Rev. C. R. Morrow attended the
annual meeting of the Ontario Branch

Wheat is not coming into market as
brisk this year as at this time last year.
This is attributed to the fact that, there
being an abundance of everything this
year, the average farmer is not as badly
in need of money as he was last year.

by public auction on Lot 20, Con. 1,
Rainham, on Saturday, Oct. 3rd, at one

Court, will hold a court of revision on
the Dominion voters' list for the town-
ship of Walpole in the Division Court
Room Jarvis, on October 6, at 10 a.m.

The maple trees around town are
fast changing their green summer suits
for the red and gold of autumn. The
summer has passed away very rapidly,
and before long the cold blasts of winter
will be whistling around.

The people do a great deal to make
a paper newsy. We would like to
impress this more upon the minds of
Jarvisites and residents in the vicinity
as they are a little lacking in that way.
See that we hear everything.

T. Underhill's Doctor D. won the
two-year old colt race at the Western
Fair at London on Monday. Maud
Randolph got second. Geo. Henning's
Nellie D. was distanced in the second
heat. Time, 2.48½, 2.46, 2.43½.

In Guelph they whitewash the defect-
ive planks in the sidewalks to warn
the pedestrians of danger. If this was
done in some of the towns we're pretty
well acquainted with the streets would
present quite a dazzling appearance.

Geo. Henning's pacer, Demand, (by
Diplomat) won first money and Nellie
D. (by Diplomat) third in the two-year
old colt stakes. Purse \$270, half-mile
