The social assembly held in the Music Hall last Friday night was a most enjoyable affair. The daily papers are all right if you want them, but it is the weekly paper that advertises your business, your schools, your churches, your numerous societies, sympathizes with you in your affliction and rejoices in your prosperity. In short it is your weekly paper that mentions the thousand and one items in which you are interested during the year and which you do not find in the daily papers.
