Mr. W. P. Innes and Reeve Killmaster of Pt. Rowan have had a conference over the proposed rebuilding of the burned canning factory in that village. The News says that the Simcoe Canning Company would rebuild their evaporator next summer, on condition that the village provide a site and give exemption from taxation for fifteen years. When Mr. Walker returned in the evening the boy had not got back with the wood. Thinking something had happened he went to look for him and found one of the horses in the lane and a little further on found the other with a broken leg. Fussee was discovered about 300 yards away where he had crawled endeavoring to get to a neighbor's house, he having his leg broken in two places. It is not known how the accident happened but it is supposed the horses ran away. The horse had to be shot. Fussee was removed to the house where his broken limb was attended to.

The Owen Sound Advertiser says, "You can't wonder at the decrease in marriages during the past year as compared with the year 1899. It was election year, and a hot one. Love and politics don't mix. This ought to be a warning to young men not to become too ardent partisans, but just mix citizenship and courtship in nice proportions."

Public Library Entertainment

Sergt. E. T. Kelly Presented With an Address and a Gold Locket.

The entertainment given in the Music Hall on Wednesday evening last, under the auspices of the Jarvis Public Library, in spite of the very small attendance, was a most enjoyable affair. Miss Tessa McCallum, elocutionist, delighted all with her work, being particularly good in the Burial of Gen. Wauchope (by request), the Mustard Plaster and the quarrel scene from the School of Scandal. Very interesting addresses were given by Rev. D. D. Macdonald of Caledonia and Sergt. E. T. Kelly, the latter holding the close attention of the audience throughout his account of his experiences in South Africa with the first contingent. Mrs. Jaques, Miss Williamson, Mr. J. A. Haslett and Rev. G. A. MacLennan furnished the musical numbers. During the evening Sergt. Kelly was presented by Messrs. Wm. Sowter and J. A. Hewson, on behalf of the citizens of Jarvis and vicinity, with an address and a magnificent gold locket suitably engraved. The entertainment closed with the National anthem.

THE ADDRESS.

TO SERGEANT E. T. KELLY, Royal Canadian Regiment serving in South Africa:

On behalf of the citizens of Jarvis and vicinity I desire to tender to you a most hearty welcome and congratulate you on your safe return from the most arduous and trying campaign in which the armies of Great Britain have ever been engaged. No soldiers have ever been called upon to endure greater privations, perform longer or more weary marches, or face death in so many and such varied forms and remembering this we recognize in you a man of sturdy physique and Spartan heroism. We would also congratulate you on your participation in the greatest and most decisive of all the battles of the campaign, a battle which has brought so much lustre to Canadian arms and so much prominence to our glorious country.

As a slight token of our appreciation of your devoted services we would ask you to accept this locket wherein we have engraven the Canadian's chiefest boast—PRIDE IN OUR TRUST THAT YOU WILL NEVER FEEL INDEBTED TO US IN THE SLIGHTEST BUT THAT RATHER YOU WILL LOOK UPON THIS TOKEN AS AN ACKNOWLEDGEMENT OF OUR DEBT TO YOU, WHICH WE CAN NEVER REPAY AND AS AN EVIDENCE THAT YOUR FRIENDS IN THIS VILLAGE AND VICINITY FOLLOWED YOUR CAREER AMID THE KOPJES IN SOUTH AFRICA WITH A WARM AND ABIDING INTEREST. We trust that you may be long spared to wear the laurels you have so honorably won and to contemplate with pride the great distinction which you now enjoy of having fought under the banner of her whom loving hands have so recently laid to rest—Queen Victoria.

Signed on behalf of committee and citizens:—D. Duff, Chairman of Com.; William Sowter, J. A. Hewson, R. A. Walters, Albert Little, Herbert Rodgers, R. G. Howell, M.D., Thos. H. Lewis, Thos. W. Ivey

The New King And Dead Queen.

Wherever the English tongue is spoken the last two weeks have been memorable for the sympathy and interest evoked by the Queen's death. Of all the papers in America the Family Herald and Weekly Star of Montreal rose most successfully to the occasion. The Family Herald gives a full history of the whole Era, including the birth, life, reign, death and funeral of Victoria, most profusely and interestingly illustrated. The Family Herald is to be congratulated, and its subscribers felicitated on having a journal of such vast resources.

At the annual meeting of the Canadian Horse Breeders' Association in Toronto last Friday, which was attended by all the leading breeders of both light and heavy animals, Secretary Wade reported that the outlook for the horse trade was never brighter. He found that the leading English dealers who had come to Canada last year to buy had all returned again this season, and were purchasing freely. Very satisfactory arrangements had been made for the exhibition of Canadian horses at the Pan-American Exhibition. It was decided to make a grant of \$500 as premiums for Stallions in districts where there is need for improvement. All the retiring officers were re-elected.
