County and District

Bailiff English, of the Central
prison, took the following prisoners
from the Simcoe gaol to Toronto
last week:—Peter Watts, Lewis
Weaver and Lewis Whitehead.

Mr. Judson Cline, son of the late
Peter Cline, of Windham, died very
suddenly at Renton station on Tues-
day morning of last week. The de-
ceased had been in ill-health for
some time.

Owing to some misunderstanding
the post-office at Balmoral has been
closed by the order of the post-
office department. It is expected
that it will be re-opened before many
weeks. The name of a new post-
master is already mentioned.—
Standard.

The annual convention of the
Canadian Order of Chosen Friends
opened in the Association Hall at
Hamilton on Tuesday. Over 200
delegates are attending, those from
this district being Mrs. E. M. Camp-
bell, No. 24, Cayuga; R. E. Bowman,
No. 96, Springvale; A. Peaker, No.
192, Townsend Centre; S. L. Squire,
No. 229, Waterford.

Last week Police Magistrate Beer-
er had a case of quail shooting be-
fore him. The man charged with
illegally shooting quail admitted his
guilt, and it cost him \$8.10. This
should be a warning to others. It
is said some parties have been violat-
ing the law in the this respect, and
it will be well for them to stop the
practice.—Canadian.

Andrew Cline, a bachelor, died
some 40 years ago, in Pennsylvania,
leaving 600 acres of land in Virginia,
Pennsylvania and Maryland. The
whole estate is valued at \$40,000,000
Henry, Peaker and John Cline, bro-
ther of Andrew Cline, emigrated
from Pennsylvania to the County of
Norfolk in 1799. A large number of
their descendants are interested in
the estate.

A letter has been received by Mr.
J. Griffith of this town from his son
a member of the Stratheona Horse,
who with ten others was left behind
in Bloemfontein, ill of enteric fever.
The letter states that the writer,
Trooper J. J. Griffith, entered the
hospital on Dec. 27th and was con-
fined to his bed until Feb. 7th. He
expected to leave for Cape Town on
the 15th, and from that point take
the hospital ship for England, ar-
riving home some time in April.—

The Hamilton retail merchants
have a movement on foot which will
make the collection of small debts an
easier and less expensive process.
The costs at the present are such
that many merchants prefer to lose
the amount rather than enter a case
in the Division Court. The bill
asks that magistrates be given
special jurisdiction in the matter of
petty debts. A petition was cir-
culated among the merchants here
last week and was largely signed,
and forwarded to the Hamilton
Retail Association. They expect to
lay the matter before the legislature
at the present session.

Windmill Delivery.

The first shipment of Canadian
windmills direct to the farmers was
delivered at Jarvis on Saturday by
the Ontario Wind Engine and Pump
Co., Limited, of Toronto, for which
company Mr. R. A. McCarter is the
local agent. Eleven mills were dis-
tributed to some of our most pro-
gressive farmers, those receiving
them were Messrs. J. W. Bowman,
A. Haller, Geo. H. Risdale, W. H.
Bowman and Michael Quinn of
Walpole, and Messrs. Hugh Wilson,
M. J. Jones, Nelson Hall, John
Somers, John B. Honey and Ansley
Irwin of Townsend. The purchasers
and friends to the number of about
fifty were entertained to dinner at
D. Hill's American Hotel, and after-
wards the wagons loaded with wind-
mills and the crowd were photo-
graphed by B. Millenbacher. Mr.
S. H. Chapman, president of the
company was present.

The firm is very prompt in filling
orders, as the above shipment was
sent out in less than a week after
the orders were received. We are
informed that the firm is now get-
ting ready for a shipment of their
mills to Cyprus, Mediterranean,
which speaks well for the Canadian
Aermotors.

Mr. R. A. McCarter, the hustling
and reliable local agent, has been
selected as a special agent of the
company from among a large num-
ber of applicants, and we wish him
success.

Nanticoke Notes.

It is said that the young man who
came up from Chesapeake on Sunday
night, regardless of mud, had his
trip for nothing.

Misses Lena and Billie Hodges
returned from New York on Sat-
urday last.

On account of the non-appearance
of the minister, no service was held
in the Methodist church on Sunday
evening.

W. E. Wicker has hired to Mr. John
Jackson for the summer months.

Rev. Herbert Coffin has been ap-
pointed to take the place of the
Rev. Hull who will shortly be leav-
ing his charge here to college.

Mr. Wesley Sellars has purchased
the farm lately owned by Mr. Val
Ward jr. and intends moving on it
soon.

Mr. and Mrs. B. Saunders and
Mr. Murphy of Wingham were
visiting at Mrs. Hines last week.

Mr. Murphy is a guitar specialist
and is talking of organizing a class
here. This will be a rare chance
for our young people who have
musical fancies.

Varency Notes.

We expect a general resurrection
of fishing tackle soon as the ice has
moved out of Nanticoke creek.

Mr. Herbert Hodges will enquire
into the mysteries of butter making
at Mr. Wm. Parkinson's factory
during the coming season.

Miss Alice Nicol returned to Ham-
ilton on Friday last.

Mr. D. J. Hanna was in this
vicinity last week renewing old
acquaintances.

Miss Ina Miller spent part of last
week with friends in Hamilton.

There has been a very large out
put at the sawmill here during the
past winter. Mr. Belbeck expects
to finish the season's cut this week.

Notes From Erie

Mr. Geo. Williamson left on Mon-
day for an extended visit with friends
in Toronto.

Mrs. Wm. Anguish is visiting
friends in Brantford.

Sergt. E. T. Kelly and wife are
spending a few weeks with the Sergt's
parents.

Miss Eubank of Caledonia visited
here last week the guest of her
cousin Miss M. E. Easton.

Miss Alice M. Forrest is visiting
with friends and relatives in Ham-
ilton.

The many friends of Mr. Andrew
Finch will learn with regret of his
sudden death early Wednesday
morning. Mr. Finch was one of the
oldest and most respected residents
of the township having lived here
about fifty years. The funeral took
place on Sunday Rev. Mr. Scanlan
conducted the services. A short
service was held at the house on
account of Mrs. Finch not being
able to attend the church. The
deceased leaves a widow, six sons and
four daughters to mourn his loss.

On Saturday the family received a
telegram that Mrs. McLaughlin, nee
Aggie Finch, had died at her home
near Middlemiss. Mrs. McLaughlin
had had a severe attack of the grip
and the news of her father's death
was such a shock to her as to cause
her death. The deceased leaves a
husband and two small children. The
funeral took place on Tuesday. The
family have the sympathy of the en-
tire community in their very sad
bereavement.

Marburg.

Wood bees and quiltings are the
order of the day.

That's right boys, look after the
widows and orphans.

Early on Monday morning we
noticed one of our young men drive
up the road with a wagon, he
gathered in some more boys and
went to the bee. Just exactly at
twelve o'clock the Horn called them
to dinner.

Miss Bertha Gutscher had a quilt-
ing at Mrs. Woodward's on Friday
last. We noticed one of the Jarvis
boys drive up just in time to see
the quilt finished. It begins to look
as if the boys would have use for
their cow bells and fog horns some
time in the near future.

Miss Ettie McCauley of Dresden
who has been visiting friends in this
vicinity left for her home on Thurs-
day last.

Mrs. Robert Marr and Mrs. James
McBride were guests at Mrs. Lewis
Bint's one day last week.

Mr. Leslie Marr and daughter of
Varency were at Robert Marr's for
tea on Wednesday last.

Mr. James A. Hewson, the leading
hardware man of Jarvis, sold and
delivered a new stove to Robert
Marr last week.

Mr. Roy Dixon caught the first
pike of the season one day last week.

Garnet.

It is with much regret that we
chronicle the death of John F. Brock,
son of David Brock, which took
place at his father's residence in
this place on Friday morning last.
Deceased had only been ill for a
few weeks. He was 33 years of age
the day of his death. The funeral took
place on Monday to St. Paul's
church cemetery, Jarvis, the services
being conducted by Rev. P. L.
Spencer. The parents and sisters
have the sympathy of a large circle
of friends and relatives in their sad
loss.

A. WILLIAMSON

Now that spring has arrived would
it not be a good idea for the resi-
dents of this place to consider the
question of how they can best im-
prove the appearance of their respec-
tive dwellings and premises. There
are a number of houses which are
badly in need of painting, and a
little fresh paint goes a long way
towards beautifying the village. It
is hoped that there will be a general
awakening along this line this spring
and that each one will take an inter-
est in improving the appearance of
their property. Tree planting should
also be taken up this spring. Jarvis
is undoubtedly a pretty place in the
summer, to the beauty of which
the large number of trees planted
a few years ago form no small part.
We trust that the citizens will unite
in the good work of improving their
properties with the liberal use of
paint and the planting of trees.

Last week Rev. P. L. Spencer and
Mr. C. E. Bourne attended the
spring meeting of the Standing
Committee of the diocese of Niagara,
held at the Synod office, Hamilton.
Among the mission grants made was
the sum of \$200, given to Port Robin-
son and Fonthill to assist the two
congregations in supporting a clergy-
man who will take part of the work
recently performed by Rev. F. C.
Piper and Rev. Dr. Johnstone. The
new apportionment scheme recom-
mended by a special committee
bases the amount to be raised by
any parish for diocesan mission, at
50 cents a family and six per cent.
of the clerical stipend. Rev. L. E.
Skey reported that a partial canvass
of the city of Hamilton had secured
\$10,000 for the diocesan Century
Fund, and that the prospect of
obtaining from the whole diocese
the full sum of \$50,000 was good.
The closing of the Synod books was
ordered to take place on Monday
April 15th. The meeting of Synod
was fixed for Tuesday, June 11th.
The next meeting of the Standing
Committee was appointed for May
7th.

A Card.

We, the undersigned, do hereby
agree to refund the money on a 50-
cent bottle of Greene's Warranted

going his rounds.

The small boy with his marbles
and the little girls with their skipp-
ing ropes is a reminder that spring
has arrived.

The report of the Ontario Crown
Lands Department to-day shows
that there are now 168 townships
open for settlement, and that dur-
ing 1900 there were 965 homestead
entries, covering 132,665 acres, com-
pared with 633 entries and 85,194
acres in 1899. In addition, 140 per-
sons in 1900 purchased 4,524 acres,
compared with 59 persons and 2,379
acres in 1899. The movement is
chiefly into Northern Ontario, where
recent exploration shows that there
is a large area of excellent farming
land.
