### Varency Notes.

We may expect—a revival on  
Lover's avenue and the revision of  
"The modern fable of the three."

Messrs. Nathan and Andrew  
Miller visited the Pan-American  
last week.

Mr. Edward and Mrs. Jas. Fryaet  
were guests at "Forestview" on  
Sunday.

Mr. Geo. Reynolds has moved his  
worldly effects to the premises re-  
cently occupied by the late Jas.  
Jamieson.

Miss Lizzie Miller is visiting her  
sister Mrs. Jas. Gilbertson near  
Simcoe.

We regret to have to chronicle  
this week the death of Mr. Jas.  
Jamieson which occurred at his  
residence in Simcoe on Thursday  
evening, the 17th inst. Deceased  
was well known and highly re-  
spected in this community, having  
about four years ago settled on the  
Jacques property here where his  
industry and shrewdness won for  
him the admiration of his neighbors  
and a large measure of financial  
success. For two years prior to his  
decease he was a victim of the dread  
malady consumption which rendered  
him incapable of any exertion  
further than the directing of his  
affairs. His long illness was borne  
without complaint, buoyancy of  
spirits and clearness of intellect re-  
maining with him until the end. He  
leaves a widow and one son to  
mourn his untimely decease. A  
large concourse of relatives and  
friends witnessed the interment of  
the remains in Oakwood cemetery  
on the 19th inst.

Rev. Dr. Scanlan delivered his  
popular lecture "From Bethlehem  
to Calvary" in the Plank Road  
church on the evening of the 15th  
inst. The lecture which was brim-  
ful of interest from start to finish  
was interspersed with vocal selec-  
tions by Rev. G. A. McLennan, B.A.  
who is always a prime favorite with  
Varency audiences. At the close of  
the lecture the pupils and teachers  
of the Sunday School presented the  
superintendent Mr. Joseph Jacques,  
Sr., with a handsome easy chair and  
the following address:

DEAR SUPERINTENDENT  
In closing for a season the school over which  
you have so long presided we desire to express  
to you our appreciation of the earnest, per-  
sistent and painstaking manner in which you  
have discharged the duties entrusted to you.  
You have often had to labor under great dif-  
ficulties which you faced cheerfully and cour-  
ageously and yours has been the victory. As we  
gaze backward along the corridors of time  
we see how largely we were responsible for  
many of the difficulties which beset you. We  
were often careless and indifferent but with  
charity born of a lively faith you overlooked  
our many shortcomings setting us an example  
that must ever remain to us a bright guiding  
star and a pleasant and helpful memory. In  
all that pertained to the work of the master  
you were ever ready to give us counsel and en-  
couragement. Your large-hearted, kindly  
sympathies extended alike to young and old  
and have won for you an abiding place in our hearts  
and wherever our future lot may be cast we  
will ever remember you as companion, coun-  
sellor and true friend. As a slight token of the  
respect and esteem in which you are held by  
those associated with you in this portion of the  
master's vineyard we would ask you to accept  
this easy chair and we trust that you may be  
long spared to witness the fruit of your labors  
of love.

The venerable Superintendent  
made a brief but appropriate reply  
expressive of the pleasure it afford-  
ed him to accept the tokens of  
affectionate regard from his pupils.

### Killed On The Track.

C. Anderson of Port Dover Terribly  
Mangled Near Whitty.

Whitty, Oct. 17.—Death in an es-  
pecially shocking form came last  
night to a young man on the G.T.R.  
tracks, 2½ miles west of this town.  
The dead man's name was C. Ander-  
son, and he came from Port Dover  
as was discovered from a letter  
found in his pocket. He was one of  
the construction gang at work on  
the new double tracking between  
here and Pickering.

The deceased, in company with  
two comrades, had visited Whitty  
early in the evening to make some  
purchases, and at about 10 o'clock  
started back for the camp where the  
men are lodged by the railway. He  
complained of being tired when half  
the distance had been covered, and  
told his companions to go on, as he  
was going to sit down and rest.  
They did so, and that was the last  
time he was seen alive.

This morning his lifeless body was  
found near the tracks, having been  
run over by a passing train, and  
terribly mangled. The train com-  
pletely cut off one of his legs at the  
thigh. The presumption is that he  
had proceeded to the tracks and  
again sat down to rest, and had  
fallen asleep, never to awaken.

The deceased was employed for a  
time during the past summer at  
Gid Snyder's brick yard near Jar-  
vis, and also worked on the G.T.R.  
section here.

The remains were taken to Port  
Dover for burial.

It is understood that the Ontario  
Legislature will be called for its  
closing session early in January.

The royal train will not return to  
Montreal at once, as the Canadian  
Pacific has decided to exhibit the  
three coaches—the York, Cornwall  
and Canada—charging twenty-five  
cents per capital the proceeds to be  
devoted to charity.

The trial of Mrs. Josephine White  
for the murder of her husband  
Charles White, in the early part of  
this year, was commenced at  
Brant county assizes at Brantford  
on Tuesday afternoon. L. F. Heyd,  
K.C., is the prisoner's counsel, and  
F. A. Anglin is Crown prosecutor.

An explosion occurred at West &  
Peachy's foundry at Simcoe on  
Saturday morning, the result of a  
lighted match over a varnish barrel.  
Alfred Winters was knocked down  
senseless by the explosion and re-  
ceived some bad cuts about the face.  
Although badly hurt he is on a fair  
way to recovery. The oil house was  
set on fire and the damage amount-  
ed to about \$600, on which there  
was no insurance.

The vessel that foundered in Sat-  
urday morning's gale off Long Point  
was the steamer Swallow, lumber  
laden, bound from Emerson, Lake  
Superior, to Buffalo. The crew of  
ten men were taken off the steamer  
by her consort, the wooden barge  
Manitou, with great difficulty. The  
Northern Pacific barge Walter Scan-  
ton picked up the Manitou on Sat-  
urday evening and towed her into  
port.

Rev. Dr. Abraham of Toronto, on  
Sabbath afternoon addressed a large  
congregation at the Stone Church,  
Walpole, in the interests of the  
Upper Canada Bible Society. This  
section of Walpole which heretofore  
worked in connection with Jarvis was  
organized into a new branch to be  
known as the Erie branch of the  
Upper Canada Bible Society. The  
following officers were appointed:  
President, Henry Falls; Vice-Presi-  
dent, Chas. O. Smith; Secretary,  
Miss Shuter; Treasurer, Mrs. Wesley  
Jennings; Executive, the resident  
ministers, together with Wellington  
Biggar; Alex. Fleming and D. W.  
McBurney.

### Nicholas Flood Davin Succides.

Nicholas Flood Davin, ex-M.P.,  
ended his life by shooting himself  
in a Winnipeg hotel last Friday  
evening. Despondency over financial  
difficulties and other troubles sup-  
posed to have been the cause. Mr.  
Davin was a candidate for the Com-  
mons in Haldimand in 1878, but was  
defeated. He was first returned to  
Parliament for West Assiniboia in  
1887, and re-elected in 1891 and 1896.  
At the last general election he was  
defeated. He was 58 years of age  
and leaves a widow.

The remains were taken to Ottawa  
for burial, and the funeral took place  
at Beechwood Cemetery on Monday.

and Gen. French appointed, Gen.  
Hildyard acting in the meantime.

Mr. Justice R. M. Meredith has  
purchased a chime of ten bells in  
England, which he will present to  
St. Paul's Cathedral, London, Ont.

A report shows that the mineral  
output of the United Kingdom for  
the year 1900 was valued at £136,000,  
an increase of £39,500,000 over  
the previous year. Of this output  
there were 225,000,000 tons of coal,  
valued at £121,000,000.

The benefits of advertising have  
been demonstrated once more.  
Charles R. Sweet of Essex County  
wanted a wife, "of a lovable dis-  
position, young and pretty." He  
put an "ad." in a local paper, and  
soon got a bride to suit him. There's  
nothing like advertising.

An official of the Bank of Ottawa  
stated that the case recently cited  
of a customer recovering the face  
value of greenbacks chewed by a  
cow was the second of its kind  
brought under his notice. A cus-  
tomer brought to the head office of  
the Bank of Ottawa once before a  
parcel containing the remains of  
bank notes on which a cow had  
feasted. Although a close and care-  
ful examination was made the clerks  
were only able to recover a ten-dol-  
lar and a five-dollar bill.

"Whether a man goes into a hos-  
pital rich or poor, he has the right  
to assume that he will get treatment  
for nothing," declared Judge Mor-  
son in the Toronto Division Court  
last week. His honor was trying a  
suit brought by Dr. Primrose, of  
Toronto, against William McKinley,  
a Mono Mills farmer. McKinley,  
came to Toronto, last July, and had  
an operation performed by Dr. Prim-  
rose at St. Michael's Hospital. The  
physician claimed \$30, but the court  
gave judgment against him.

The Department of Militia has  
been advised that the machinery for  
the manufacture of steel projectiles  
has arrived at Quebec. It will be  
placed in position immediately, and  
the government factory will at once  
commence to manufacture steel  
shells. Major Gaudin, superintend-  
ent of the factory, took a course at  
steel shell manufacturing at Wool-  
wich Arsenal last winter.

### Tendency of Catarrh is to Spread.

Just a slight matter at first, and  
because slight, neglected; but the  
seed sown brings forth a dangerous  
harvest, Consumption, which is the  
harvest of death. Better spend a  
few moments each day inhaling  
Catarrhazone, an aromatic antiseptic  
that relieves at once, clears the nasal  
passages, and restores lost sense of  
taste and smell. The immediate  
effect of Catarrhazone is magical, so  
prompt and efficient. Cure is cer-  
tain and permanent if you use  
Catarrhazone. Price \$1. Small  
sizes 25c., at Druggists or Polson &  
Co., Kingston, Ont.

### MARRIED.
