The annual financial statement
for Walpole has been published and
distributed to the ratepayers at the
nomination on Monday last. The
receipts for 1909 were \$39,962.26,

Walpole Nominations.

There was quite a hot time for a
while at the Walpole nominations
on Monday last and both the Con-
servatives and Liberals put a full
number of men in the field to con-
test the election, but some of the
cooler heads seeing that it would be
impossible to elect a straight Tory
or Grit Council, it was agreed upon
to elect three Conservatives and two
Liberals. The following, all of
whom are good men for the place,
will compose the Council for the
next year:—Reeve—J. J. Parsons;
Deputy Reeve—W. D. Roultson;
Councillors—James R. Pond, James
Falls, and Samuel G. Holbrook.

New Years' Greeting.

May the spirit of happiness enter
every heart on New Year's day, and
may the coming year bring to all
health and contentment.

Jarvis Nomination.

The nominations for the new vil-
lage of Jarvis was held in the Tem-
perance hall on Monday last at 12
o'clock, and passed off very quietly.
There were quite a number present
and all seemed to be of the one
opinion that no election was neces-
sary to elect the first Council for
Jarvis, and there was not, for had
a large number been put in the
field, there could not have been five
better men elected to fill the offices
of Reeve and Councillors. The fol-
lowing will compose the Council
for 1910:—Robert W. Smith, Reeve,
and Ivan W. Holmes, Charles G.
Allen, J. A. Burwash and Thomas
H. Lewis, Councillors.

Christmas Entertainment.

The Xmas entertainment held in
Chambers' Hall last Tuesday even-
ing, Dec. 21st, in connection with
Knox church Sunday School, was a
decided success. The different
pieces on the programme were re-
markably well rendered by the
children and a very enjoyable even-
ing was spent. The teachers of the
Sunday School, who trained the
children for the entertainment, are
highly to be commended for the
successful issue of the programme.
The proceeds amounted to \$39.

Jarvis Xmas Fair.

The Xmas Fair was, as we announced
last week, a grand success in every
particular. We have not learned the ex-
act number of birds or other exhibits made
but the number was very large, and most
everyone seemed to be well pleased with
the Fair. The Committee is determined
to make the Fair next year far better than
this year, and a number of changes will
be made. The farmers who showed pon-
try were well pleased with the high prices
they received at the Fair, and those who
had poultry to sell after the Fair received
high prices. The following is the prize
