### cut glass beauty

Is there anything more beautiful than  
Cut Glass?

Nothing if it is high grade.

Is there a noticeable difference be-  
tween qualities?

Yes, almost anyone can tell the gen-  
uine from the cheaper product.

The real article sparkles like  
diamonds. It sends out a myriad  
gleams of light constantly, and is  
beautiful beyond description.

Is it much in vogue for presents?

Yes, at present it is much in favor.

What more is able to assert that it  
carries a better than average dis-  
play?

### Raw Skins Wanted.

They will bring you more money  
if you take them to the H. S. Falls  
Co. of Simcoe.

### A Truthful Saying

The following is a very truthful  
remark: "The man who grows up  
in his native town is regarded as a  
boy by his elders until he is well  
started down the declivity of life  
that ends in a hole. The stranger  
who comes into a place is more often  
pushed to the front than the young  
man who has grown up with the  
town. This is the reason why so  
many young men become dissatisfied  
with their home surroundings and  
long to cast their lot in other quar-  
ters."

### Bible Society.

The annual Bible Society meeting  
was held last Sunday, and two very  
large congregations greeted the  
Rev. Mr. Hassard, general secre-  
tary. The funds will be somewhat  
in advance of last year, but the  
work of the Society is very compre-  
hensive and the financial needs  
great. No week night meeting was  
held and it is expected the execu-  
tive will see to the filling up of any  
vacancies either among the officers  
or the collectors. Sunday's collec-  
tions were \$17.00.

### Thieves Are A Work.

Sneak thieves on Wednesday  
night last entered the barn of Mrs.  
Chris. Nelson, sr., lot 20, conces-  
sion 4, Woodhouse, and stole 16  
bushels of wheat out of the 38  
bushels she had, and also took a  
quantity of oats. Thursday morning  
Mrs. Nelson and Mrs. John  
Davidson tracked the grain by  
means of wheat being scattered  
from the barn and along the road  
to the place where it was taken,  
there being quite a handful at the  
gate where the rix turned in. It is  
supposed that there was a hole in  
one of the bags which let the wheat  
dribble out.

### Married.

A very quiet wedding took place  
at the Methodist parsonage, Tyrrell,  
on Wednesday, Oct. 27th, when  
Miss Lazella Easton of Woodhouse,  
was united in marriage to Mr. Frank  
Barkart of Jarvis, by Rev. Kitching.  
Miss Ella Underhill of Jarvis acted  
as bridesmaid and Chas. Parkinson  
as best man. The bride wore her  
travelling dress of blue ladies cloth  
with hat to match. After the cere-  
mony the happy couple drove to  
Simcoe where they took the train  
for Stratford, Milverton and other  
places. Mr. and Mrs. Barkart on  
their return will occupy the house  
owned by Mrs. Smith and lately  
vacated by Albert Booth. The Rec-  
ord extends congratulations.

**Walpole Agricultural Soc'y**

At a meeting of the officers and  
directors of the Walpole Agricul-  
tural Society held in the I. O. F.  
hall, Jarvis, on Monday evening,  
Oct. 18th, the following resolution  
was unanimously adopted.

Moved by J. J. Parsons and  
seconded by J. I. Smith, that this  
Society desire through the columns

their thanks to all those who so  
generously contributed towards
