Does Not Stimulate

Ayer's Sarsaparilla does not stimulate. It does not make you feel better one day, then as bad as ever the next. It is not a strong drink. No reaction after you stop using it. There is not a drop of alcohol in it. You have the steady, even gain that comes from a strong tonic and alterative. We wish you would ask your doctor about this. He knows. Trust him. Do as he says. J.C. Ayer Ca., Lowell, Mass. What are Ayer's Pills? Liver Pills. How long have they been sold? Nearly sixty

To make use of the heat, but be unaffected by that heat. means sure service from theloven and long service for the oven.

"Caloric" gas range oven is constructed to perform on thistwofold basis.

The oven walls are coated with anti-rust fused aluminum, which coating reflects the heat back into the oven proper. This coating is never affected by the moisture that always accrues from heat.

The walls are double, likewise the oven bottom, the latter having an air space between, which renders impossible a pan of buns or a roast being burned.

LEMISTON'S FAVORITE SHOPPING PLACE

REORGANIZATION

A re-organization of this old-established business is going on. We have just become another link of the chain of great stores which is known as the strongest organization of merchandising associations in the world, and through which THE RIGHT HOUSE becomes immediately identified with the famous James McCreery & Co. stores in New York and the Wm. Fengerer Co. store in Buffalo.

This is a great thing for the shopping public of Hamilton and vicinity. It means greater purchasing power to THE RIGHT HOUSE. The organizations foreign buying offices in Paris, London and other European cities, and in New York, will secure for Hamiltonians the very latest novelties in approved styles and exclusive merchandise, and all purchased direct from the great manufacturers of the world at lowest cost. Direct to the fountain head of production we can now go, which in many cases would have been heretofore impossible for one store alone.

The policy of THE RIGHT HOUSE in handling only reliable goods and the giving of individual care to the purchasing of merchandise shall, as in the past, be carefully safeguarded. The personal tastes and wants of our customers, so well known to us, will, as in the past, receive the same individual attention.

The advantages of our new close connection with the best organization of dry goods stores will soon become apparent to all-a bigger, better RIGHT HOUSE is our aim.

Meanwhile the ask the public to be patient with any little inconveniences they may possible be put to during our stocktaking, which is now rapidly nearing completion.
