The best people in the Dominion are publicly recommending it to every home. Every lover of that which is pure and inspiring cannot fail to appreciate such a beautiful work. The picture is given absolutely free to all who subscribe to that great weekly paper, "The Family Herald and Weekly Star," of Montreal, the price of which is only one dollar a year. It is not the usual cheap chromo but it is in sepia tones ready for framing and fit for a place in any home in the Dominion. It is 19 x 24 inches. Send a dollar at once for a year's subscription to that great paper and the picture will be sent at once safely packed in a strong cardboard tube. Do not wait until the crowd ahead of you is too big.

MI-O-NA
Relieves Stomach Misery Almost Immediately

If the food you ate at your last meal did not digest, but laid for a long time like lead on your stomach, then you have indigestion and quick action should be taken.

Of course there are many other symptoms of indigestion, such as belching up of sour food, heartburn, dizziness, shortness of breath and foul breath, and if you have any of them, your stomach is out of order and should be corrected.

Mi-o-na tablets have cured thousands of cases of indigestion and stomach trouble. If you have any stomach distress, Mi-o-na will relieve instantly.

But Mi-o-na unlike most so-called dyspepsia remedies, does more than relieve; it permanently cures dyspepsia or any stomach trouble by putting energy and strength into the walls of the stomach, where the gastric juices are produced.

A large box of Mi-o-na tablets costs but 50 cents at T. E. Morrow's and are guaranteed to cure or money back. When others fail, Mi-o-na cures. It is a producer of flesh when the body is thin; it cleanses the stomach and bowels; purifies the blood and makes rich red blood.
