# The Jarvis Record

WEDNESDAY, OCT. 13, 1909.

County Council.

Sept. 29th, 1909, Council met pursuant to adjourn-

All members of the council were present. The minutes of last meeting were

The following communications were read:-Letter from American Bank Note Company; letter from Canadian Conference of Charities; letter from the Attorney-General.

Parsons-Roulston-that the petition of the residents of the Police Village of Jarvis be received and filed with the Clerk, and that Alfred Underhill of said village of Jarvis be instructed to take a census of all the residents within the present limits of said Police Village as at noon of the 6th day of October next, and certify same to this council. Carried. The by-law for borrowing \$22,000

for building House of Refuge was read a second time, and finally passed. Smelser-Dils-that we do now adfourn to allow the different committees to meet. Carried.

The report of the Road and Bridge Committee was adopted as read. To the Road and Bridge Committee Your committee appointed to build bridge on the Indian Line west of Hagersville report as follows:

That we advertise for tenders to build cement abutments and accepted the lowest tender of Winger & Winger for the sum of \$415. They finished the abutments in good time and did first-class work.

We then advertised for the selling of the grading, and sold the same to J. Slack for the sum of \$75, and the work has been done to the satisfact-

ion of your committee. We would recommend the of the fellowing sums: To Winger & Winger, balance

on cement work \$207.50, being amount due of the contract price \$415.00.....\$ 415.00 To Hamilton Bridge Co. for

I. Slack, for grading..... P. Winger, for 711/2 barrels of Frank Keyes, attending to lights, watering bridge and right of way through fields.

W. D. Roulston, overseeing work Alex. Dunner, overseeing work

Fetal cost ......\$1256.75 W. D. Roulston, Alex. Dunnet, Members of Road & Bridge Committee

To the Warden and Council assembl-

We your Road and Bridge committee beg leave to report as follows:-Messrs. Roulston and Dunnet, the persons who were appointed to buna the bridge on Indian Town Line, report that they have completed the work time as the work progresses. Their report is sent herewith, and we for Thompson Creek at Dunnville. As regard to sewerage disposal.

are unable to give final report of the plans and specifications for a septic We have also been notified of two bridges being cut of repair on the town line between Haldimand and

Wentworth, and your committee are asked to meet their committee to-We have also been notified that one

of the abutments of Caledonia bridge is out of repair, Alson Shaver, Chairman.

The report of the finance committee was adopted as read. To the Warden and Centlemen of the

County Council of Haldimand: We your finance committee have met and recommend payment of the following accounts:

Thomas Walsh, to 1/4 salary ending Sept 30th.....\$ 25.00 James Roulston, to cement account 1906..... H. Middaugh, hauling gravel... T. Clifford, to hauling broken

over Spring Creek...... 590.00 Slack, for grading ... 75.00 P. Winger, cement acet....: 107.25 Frank Keyes, caretaking of Spring Creek and right of 

Roulston, overseeing work on Spring Creek bridge ...... 37.50 Alex. Dunnet, overseeing work on Spring Creek bridge ..... Ham Fon Bridge Co, bridge over Thompson Creek .... 900.00 J. J. Murray, Chairman.

The report of the Building com-25.00 mitte was adopted as read: To the Warden and gentlemen of the County Council:

We your building committee beg leave to report as follows: 1. That your committee met at the

House of Refuge in Dunnville on the 14th of August, and the chairman was authorized to have a drain put in from the building to Thompson's Creek for the purpose of draining the foundat-He was also histructed to keep the building insured from time to

2. That your committee met at the recommend the adoption of said re- House of Refuge on the 18th of Sepport. We would also recommend tember to examine the work and make the payment of \$900.00 for iron bridge arrangements with the architect with the other work is not completed, we architect was instructed to prepare tank, the plans to be in the hands of the building committee before the 1st

of October. We would also report that we found the work on the House of Refuse to be well advanced, the brick work being completed and part of the foof ready for slate, and that the work so far has been done in a first-class oramaning manner. We would also add that the architect is very much pleased with the manner in which

the contract is being carried out. As the plans and specifications for septic tank have not been received from the architect, we would recommend that the same be dealt with by

the building committee as soon as recelved. Wm. Bain, Chairman.

Murray-Mino-that the usual grant of \$25.00 be paid by the treasurer to each agricultural society on certificate from their secretary that the show has been held in the county Carried.

Murray-Mino-that notice of passing by-law No. 449 be published in the Haldimand Advocate, under sect Jon 397 of the Municipal Act of 1903. Carried.

Parsons-Dunnet-that the clerk be authorized to communicate with the different firms offering to take up debentures, and to furnish them with the necessary information, and receive offers and report at our next meeting if possible. Carried. Bain-Parsons-that a further sum-

of \$3500 be taken up on the credit obtained by the county from the Canadian Bank of Commerce for current expenses, and that the warden and treasurer sign notes for the same. Carried. A by-law to provide for building two

bridges on county line between Wentworth and Haldimand, near Blackheath, was introduced and final-Pyle Secord—that we do now adTo The Public.

Every "Caloric" lower burner-cup, besides being deep, is made with an air-mixer, latter section has nickel-plated cover for air adjustment. Upper face of burner being corrugated a current of air to pass between

the corrugations and intermit with the gas. The air and gas are thus thoroughly blended before ignition takes place, which prevents the escape of gas. Every burner automatically drilled,

hence the uniform flame. The "Caloric" system stands for rigid gas economy, great velocity of flame, and safety of operation. Save gas, save time, save anxiety get "Caloric."
