## DRS. KENNEDY & KENNEDY CURE DISEASES OF MEN

PATIENTS TREATED THROUGHOUT CANADA FOR 20 YEARS

Drs. K. & K. are favorably known throughout Canada where they have done business for over 20 years. Thousands of patients have been treated and cured by their great skill and through the virtue of their New Medical Treatment. When you treat with them you know you are dealing with responsible physicians as they own and occupy their own office building in Detroit, valued at \$100,000. When they decide your case is curable, all your worry is removed for you know they will not deceive you. They guarantee to cure all curable cases. No matter how many doctors have failed to benefit you, no matter how much money you have spent in vain; no matter how dispirited you may be, don't give up in despair until you get a free opinion from these men who are specialists. If you are at present within the clutches of any secret habit which is sapping your life by degrees; if you are suffering from the results of past indiscretions; if your blood has been tainted from any private disease and you dare not marry; if you are married and live in dread of symptoms breaking out and exposing your past; if you are suffering as the result of a mis-spent life—Drs. K. & K. are your Refuge. Lay your case before them confidentially and they will tell you honestly if you are curable.
