Another large consignment of genuine vegetable Parchment Paper for butter wrappers to hand, and we can supply you with any quantity, either plain or printed. April the 1st has come and gone, and still there are a lot of people whom we sent accounts to and asked them to settle up by April 1st, who have not done so. We now extend the time to April 23rd, and, after that time, those who have not settled will find out that we mean business.

**Lost A Thumb.**  
A painful accident happened to Mrs. Menzies of Varenay about 6 o'clock on Friday evening last. The unfortunate woman was alone at the time and had to walk to a neighbor's about half a mile distant for assistance. Dr. Jacques, who was immediately summoned, found amputation necessary. He was assisted in performing the operation by Drs. Howell and Overend. At time of writing the injured member is doing as well as could be expected.

## The Easter Ball.

The Easter Ball given in the Opera House on Friday evening, April 1st by the bachelors and benedicts of Jarvis proved to be a most enjoyable and successful social event. The gentlemen giving the dance had left everything in charge of a committee of seven and this committee deserve great praise for the trouble they went to in order to make the dance a success. Toni Vita's orchestra of London, more familiarly known as "The London Harpers" had been secured for the occasion and their selections and renditions were pronounced by all to be the best dance music heard in Jarvis for some time. The floor had been specially prepared for the dance and was in first-class condition, and this, combined with good music, gave the dance the necessary swing. The Opera House had been most tastefully decorated, one of the most pleasing effects being the setting room provided for those who did not wish to dance. The stage had been hung with brown tapestry, carpeted with a heavy Wilton carpet of a green design and beautifully furnished in heavy golden oak furniture. Then the facade of the stage had been decorated with four massive white marble pillars, with capitals of evergreen with a white background and this gave the setting room a most striking and pleasing effect from the body of the hall. The body of the hall had been decorated with evergreens and flags and never before had the opera house presented such a beautiful effect as on the night of April 1st.

The Ball started at eight-thirty and after half an hour had been devoted to the filling of programs, introductions, etc. the music started and soon all present were lost in the giddy whirls of the dances.

At twelve-thirty a dainty lunch was served, consisting of sandwiches, pickles, and a great variety of cakes, cocoanut kisses, ladies' fingers, etc., ice cream and tea and coffee.

After lunch the first part of the program was repeated and the Ball did not come to an end until three-thirty.

The number present was about one hundred and twenty-five, there being a large number of out-of-town guests, and the scene from the setting room looking over the hall forcibly impressed one that probably nowhere in Ontario could such an assemblage of attractive women and gowns be seen.

Judging by the many favorable remarks heard since the Ball this was the most successful and enjoyable one ever held in Jarvis.

## Obituary.

### Mrs. Wesley Thompson

Mrs. Wesley Thompson, whose maiden name was Sarah E. Biggar, was born in the Township of Walpole in the year 1850, and most of her life has been spent in this township. She was united in marriage in the fall of 1869 to Wesley Thompson and for a number of years her home was near Decesville. About 1895 she was bereft of her husband and then for some years she lived retired in Hagersville. After her father's death, the comfortable Jarvis estate came into her possession and for the last four years she lived in Jarvis.

Her health failing her, she went to Toronto in the late winter, and lived for a time with her son. Her death took place at the General Hospital after a short illness of broncho-pneumonia, on March the 28th.

The family accompanied the remains to Jarvis on Wednesday, March the 30th and were met at the station by a number of relatives and friends and proceeded to the Methodist church for service and interment. Those left to mourn their loss are four sons, Wellington of Hamilton, Sam, Palmer and James of Toronto, and one daughter, Lillie also of Toronto. Besides these are one brother, Wellington on the old homestead and Mrs. Boulter of Niagara Falls.

Floral contributions were: a wreath by the family, a spray by the Jarvis Mission Band, a wreath by Palmer's college mates and a spray by a friend in Toronto.

The pall-bearers were A. Rodgers, C. E. Bourne, Robert Miller, R. Roberts, Edward Jones and Wm. Williamson.
