Alcohol to Children

Ask your doctor how often he prescribes an alcoholic stimulant for children. He will probably say, "Very, very rarely. Children do not need stimulating." Ask him how often he prescribes a tonic for them. He will probably answer, "Very, very frequently." Then ask him about Ayer's non-alcoholic Sarsaparilla as a tonic for the young. Follow his advice. He knows. *J. C. Ayer Co., Lowell, Mass.*

The first great rule of health—"Daily movement of the bowels." Ask your doctor if this is not so. Then ask him about Ayer's Pills. Sold for nearly sixty years.

Wonderful Nervous System

EARLY INDISCRETIONS AND EXCESSES HAVE UNDERMINED YOUR SYSTEM

The nerves control all actions of the body so that anything that debilitates them will weaken all organs of the system. Early Indiscretions and Excesses have ruined thousands of promising young men. Are you nervous and weak, despondent, have specks before the eyes with dark circles under them, weak back, kidneys irritable, pimples on face, bashful, debilitating dreams, sediment in urine, pain on the face, eyes sunken, hollow cheeks, constant depression, poor memory, lifeless, distrustful, lack energy and strength, tired mornings, restless nights, unreasonable moods, premature decay, bone pains, hair loss, etc.

Make Each Animal Worth 25% Over Its Cost

On ⅓ of a Cent a Day

Nobody ever heard of "stock food" curing the bots or colic, making hens lay in winter, increasing the yield of milk five pounds per cow a day, or restoring run-down animals to plumpness and vigor.

When you feed "stock food" to your cow, horse, swine or poultry, you are merely feeding them what you are growing on your own farm.

Your animals do need not mere feed, but something to help their bodies get all the good out of the feed you give them so they can get fat and stay fat all year round; also to prevent disease, cure disease and keep them up to the best possible condition. No "stock food" can do all these things. **ROYAL PURPLE STOCK SPECIFIC** can and does. It is

Not a "Stock Food" But a "Conditioner"

ROYAL PURPLE STOCK SPECIFIC contains no grain, nor farm products. It increases yield of milk from three to five pounds per cow per day before the Specific has been used two weeks. It makes the milk richer and adds flesh faster than any other preparation known. Young calves fed with **ROYAL PURPLE** are as large at six weeks old as they would be when fed with ordinary materials at ten weeks.

ROYAL PURPLE STOCK SPECIFIC builds up run-down animals and restores them to plumpness almost magically. Cures bots, colic, worms, skin diseases and debility permanently.

Dan McEwan, the horseman, says: "I have used **ROYAL PURPLE STOCK SPECIFIC** persistently in the feeding of 'The Eel,' 2.02½, largest winner of any pacer on Grand Circuit in 1908, and 'Henry Winters,' 2.09½, brother of 'Allen Winters,' winner of $36,000 in trotting stakes in 1908. These horses have never been off their feed since I commenced using Royal Purple Specific almost a year ago, and I will always have it in my stables."

Royal Purple

STOCK AND POULTRY SPECIFICS

One 50c. package of **ROYAL PURPLE STOCK SPECIFIC** will last one animal seventy days, which is a little over two-thirds of a cent a day. Most stock foods in fifty cent packages last but fifty days and are given three times a day. **ROYAL PURPLE STOCK SPECIFIC** is given but once a day, and lasts half again as long. A $1.00 pail containing four times the amount of the fifty cent package will last 280 days. **ROYAL PURPLE** will increase the value of your stock 25%. It is an astonishingly quick fattener, stimulating the appetite and the relish for food, assisting nature to digest and turn feed into flesh. As a hog fattener it is a leader. It will save many times its cost in veterinary bills. **ROYAL PURPLE POULTRY SPECIFIC** is our other Specific for poultry, not for stock. One 50 cent package will last twenty-five hens 70 days, or a pail costing $1.20 will last twenty-five hens 280 days, which is four times more material for only three times the cost. It makes a "laying machine" out of your hens summer and winter, prevents fowls losing flesh at moulting time, and cures poultry diseases. Every package of **ROYAL PURPLE STOCK SPECIFIC** or **POULTRY SPECIFIC** is guaranteed.

Just use **ROYAL PURPLE** on one of your animals and any other preparation on another animal in the same condition: after comparing results you will say **ROYAL PURPLE** has them all beat to death, or else back comes your money. FREE—Ask your merchant or write us for our valuable 32-page booklet on cattle and poultry diseases, containing also cooking recipes and full particulars about **ROYAL PURPLE STOCK** and **POULTRY SPECIFICS.**

If you cannot get Royal Purple Specifics from merchants or agents, we will supply you direct, express prepaid, on receipt of $1.20 a pail for either Poultry or Stock Specifics.

Stomach Agony.

Abolish the Cause, and Misery and Distress of Indigestion will Vanish

Can indigestion be cured? Hundreds of thousands of people who suffer from belching of gas; biliousness, sour stomach, fullness, nausea, shortness of breath, bad taste in foul breath, nervousness and other distressing symptoms, are asking themselves that question daily.

And if these same doubting dyspeptics could only read the thousands of sincere letters from people who once suffered as badly as they do now, but who have been quickly and permanently cured by the use of Mi-o-na, the mighty dyspepsia remedy that cures by removing the cause, they would go to T. E. Morrow's this very day and get a large box of Mi-o-na tablets, and start themselves on the right road to to health at once.

The price of Mi-o-na tablets is only 50 cents, and T. E. Morrow guarantees them to cure indigestion, or money back.

Thin or lean or scrawney people will find in Mi-o-na a maker of flesh and blood, because it causes the stomach to extract more nutritioes matter from the food, which quickly enriches the blood.
