Big boom in Christmas business last week at the Simcoe Bazaar. Thousands of people appreciated the piles of seasonable goods plainly priced.

Miss Pearl Roberts is visiting in Toronto for a couple of weeks. Last Friday evening she attended with her brother, Howard, the annual Conversations at Victoria University, given by the Board of Governors Faculty and Students of that college.

The 5c and 10c tables are the great attractions at the Simcoe Bazaar these days. You can make fifty cents go as far as a dollar. Not only in Toys but Chinaware, Children's Mitts, Bibs, Handkerchiefs, Christmas Cards, Calendars, Books, and Booklets of every description. See our 10c Photo Frame for 5c each.

Agriculture is progressive. It is the intention of the Weekly Sun, Toronto, to collect the latest and best practices from the facts presented, from week to week, thus making it possible for Sun readers to appropriate for their own use, that which will enable them to get the largest returns for their labors, the greatest values for their crops, and the largest comfort from their surroundings. No effort will be spared by the publishers of The Sun to bring this about. The Sun should be in every farm home.

Mrs. John Mullholland (nee Miss Tillie Rodgers) will draw her law suit against Mrs. Elva Rodgers on Wednesday last and Thursday sold to Robert Rodgers of Hamilton for Mrs. Rodgers twenty-four feet of the disputed property for \$125. This price had been offered Mrs. Mullholland before the law suit was commenced. Mrs. Rodgers will have the old building torn down soon and in the spring will erect a new home for The Record. Mrs. Mullholland also sold her house and lots to James Whitwell for \$1000, which was a low price and much less than she had been asking for it.

Mr. Elgin Brethour, the cornet soloist of the famous 91st Highlanders' Band, will give several numbers at the concert on the 15th inst.

Miss Lizzie McCarthy, who died last week, was indeed a patient sufferer both, during her own final illness, and also while she was waiting on and endeavoring to make lighter the sufferings of others. Her father, the late Charles McCarthy, was an invalid for over fifteen years, and she waited on him throughout the whole of that time, as well as attending the major portion of the housework and looking after the numerous other requirements that are incidental to life on the farm. During this period Miss McCarthy had several attacks of palsy which she seemed to recover from at this time, but there is no doubt that the weakening effect of these attacks, added to her steadfast devotion to very trying duties, had a great deal to do with the cause of her all too early passing away. She was a kind, good-hearted, unselfish friend and will be long remembered by those whose good fortune it was to have acquainted with her. When our acquaintances and dear ones leave us by the cold hand of death, what little does all else on earth compare with the joy and sweetness of being truthfully able to say "she was a kind and unselfish friend."

Give D. C. Allen a call for Xmas fruit, quality the best.

WANTED—150 dressed turkeys, highest prices.—D. C. Allen.

Mr. Gordon Flett, the acknowledged step dancer will appear at the Bowling Club Concert on the 15th inst. You should not miss it.

The rooms above Booth & Pond's have been rented for the Club-room and the committee are at present furnishing it. They hope to have it in running order soon.

An entertainment and Christmas tree under the auspices of the Plank Road Sunday School will be held in the Church on Tuesday evening, 13th inst. A good program is being prepared. Admission 15 cts.

Although we are publishing a ten page paper this week we are compelled to leave for next week school report and other interesting matter. Next week we publish a twelve-page paper and those wishing advertising space should apply early.

At the Bowling Club Concert on the 15th inst., Miss Victoria Stares will be the elocutionist. In both her humorist and dramatic numbers Miss Stares has won the highest praise throughout the country.

A nice assortment of fancy bonbons from 30c to \$1.00 at Allen's. Something that is new.

### A Good Concert

The members of the A.O.U.W. are quite elated over the success which attended their concert on Thursday evening of last week, the following artists, Miss Mazie Jackson, Mr. W. Francis Firth and S. Homer Eaton filled the bill to the satisfaction of all present, and all enjoyed a pleasant evening of music and mirth. Miss Jackson, soprano, sang her numbers in a clear distinct voice. She has a voice remarkable for its purity of tone, depth of expression and magnetic appeal and she won the approval of the audience that its admiration manifested itself in prolonged applause. Mr. Firth's baritone solos were greeted with enthusiasm. He has a wonderful voice and makes an impressive appearance on the stage. Encores were demanded after each appearance and every number created a lasting impression on his hearers. The impersonator, Mr. S. H. Eaton made a favorable impression and evoked much laughter, the applause being such that encores were frequent. He is one of the few humorists who can hold an audience of any nationality, his impersonations of the various types of character being excellent in every degree. Miss Jackson and Mr. Firth in the closing scene as a duet, makes a most fitting climax to the evening's entertainment.

### A Family Affair

The Family Herald and Weekly Star of Montreal may justly be called a "Family Affair," for in its 32 pages each week there are found columns of matter that interest every member of a family, whether old or young, and however numerous they may be. It is the best combination family paper printed, and any family not now receiving it should give it a trial for next year. The publishers, we understand, contemplate elaborate improvements next year which will make it even more valuable.

tea is the result of care and experience in blending—must be the combination of fine flavor, smooth strength and richness. Because all these elements are so generously included in Red Rose Tea it well merits the term "good tea."

### Life Insurance

Old Line Legal Reserve Insurance protects your home and family and at the same time secures an income for yourself in old age. Do you carry any? If not, why not?

### "Toronto Saturday Night" Gives Pointers on Life Insurance

In its issue of August 27th, 1910, it says:

"As a matter of strict fact THE MUTUAL LIFE is probably the finest life insurance company in the Dominion to-day. Its career and record appear to be practically flawless, and its securities are real securities that could be realized on to-morrow without the slightest hitch."

Again on Nov. 26th, 1910, we read: "Editor Gold and Dross: "Would like to know if THE MUTUAL LIFE ASSURANCE Co. of Canada is a good reliable Company. Can you recommend it? Is it an advantage to policyholders that it has no capital stock?"

"INTERESTED ONE."

THE MUTUAL LIFE is one of the strongest life insurance companies in the country. The fact that there is no capital stock simply means that the company has been able to put itself on a sound basis without asking the public for support, and instead of being obliged to set apart a portion of its net earnings to meet dividend obligations, this company is being enabled to add to its surplus and reserve, thus making the worth of the company to its policyholders the more assured."

Jarvis, Ont.  
December 1st, 1910.

D. F. AIKEN, Esq.,  
District Agent of  
Mutual Life of Canada.

Dear Sir:—  
I beg to acknowledge receipt of cheque \$1011.59, in settlement of my 20 Year Endowment Policy No. 23,071. This has always been very satisfactory to me. I have deposited a small sum of money each year which I scarcely missed and have had—

- (1) 20 years' good insurance.
- (2) All my money returned.
- (3) Bank interest on my money.

My twenty years experience with this Company has proven to me that insurance in The Mutual Life of Canada is an excellent investment for any young man to make.  
Yours Truly,  
W. E. SOWTER.
