METHODIST CHURCH
F. W. H. Armstrong, B.A., spoke in the interests of the Missionary Society on Sunday. Mr. Armstrong gave an interesting account of his missionary work in the Peace River District. The purchase of a lot, the building of his own "chapel" and the getting out of saw logs for the new church were some of the interesting features of his pioneer work. On Tuesday afternoon the W.M.S. held their monthly meeting in the school room of the church. The President, Miss Johnston, had charge of the devotional exercises. Refreshments were served at the close.

To-night (Wednesday) evening at 7.30 Rev. George T. Shields, who has been in China, will give an address. The address will be illustrated by about one hundred views. Everyone welcome. A collection for missionary purposes will be taken during the evening. Mr. Eddy will preach next Sabbath, morning subject: "Stones"; Evening, "Cain and Abel"
