Women Suffer

More than Men.

Women have more than their share of the aches and pains that afflict humanity. They must "keep up" in spite of constantly aching backs or headaches, dizzy spells, etc. Mrs. Edward Calwood of 123 S. Harold Street, Fort William, Ont., says: "I suffered with dull, miserable pains, soreness across my back and in my sides for months. They would catch me so badly at times that I could scarcely move around. I would have dizzy spells and altogether, felt generally run down. After using a number of remedies without finding relief, I learned of Booth's Kidney Pills and found them an excellent remedy. They not only relieved me of the miserable pains and soreness in my back but cured me of my kidney trouble."

Booth's Kidney Pills cure Backache, Dull Shooting Pains, Thick and Cloudy Urine, Gravel or Stone, Rheumatism and all diseases of the kidneys and bladder.

All druggists and dealers, 50c. box or postpaid from the R. T. Booth, Co., Ltd., Fort Erie, Ont. If you derive no benefit your money will be refunded. Could we say more? Sold and guaranteed by T. E. Morrow.

Money Paid in Jarvis

It seems to be the idea of some people that they will have to deliver their poultry, etc., to people outside of Jarvis before getting their prize money. This is not the case, the prizes will be paid by the Xmas Fair Committee on the day of the Fair, and the goods left at the hall and the Committee will look after the shipping. The prize winners are to deliver the goods to parties in Jarvis and collect their prize money.

Pin This in Your Hat.
