Xmas Fair

The second annual Xmas Fair was held on Tuesday as advertised and was a grand success in every respect. The crowd of people were enormous and the show of turkeys, geese, ducks, chicken, butter, etc., was very large and choice, and we doubt if there has ever been a larger or better display in this part of Ontario. Four long tables were packed with fowl to such an extent that they could not be shown to the best advantage, while a large space was given to butter, eggs, etc. A feature worthy of mention was the novel and artistic arrangement of butter designed by Mrs. "Sooty" Davidson. It is estimated that about five tons of poultry was on exhibition besides a large amount in the village. Our local buyers and the buyers from Hamilton, Brantford and other places purchased all poultry that was for sale, paying good prices. The following were the prize winners.

Garnet.

Anniversary services in connection with the Garnet Sunday School were held on Sunday last, conducted by the pastor. On Tuesday evening a tea and program were given. The program included a large number of musical selections, recitations and dialogues which reflected great credit upon those who had charge of the training of the children. An interesting and appropriate address was given by Rev. S. J. Kelly of Hagersville. Mr. J. Y. Bilton, the superintendent, gave a most satisfactory report of the school. An average attendance of seventy-eight has been secured. The free-will offering for Sunday School purposes at the anniversary services amounted to over \$40.
