Miss Clark, who has accepted a position with The H. S. Falls Co. as furrier, spent Sunday and Monday in Jarvis. Miss Clark expects soon to move to Simcoe.

Miss Mable Thompson of Nanticoke, left Jarvis on Monday morning's train for John Island, Algoma, where she has been engaged to take the principalship of a school.

Miss Nancekiville is assisting Rev. Mr. Kelly in meetings this week at Springvale. She will commence meeting with Rev. Mr. Shepperson next Sunday at Old Wyndham.

The committees re the billeting of the delegate at the District S. S. convention next Tuesday, will meet in the Methodist S. S. rooms on Thursday night. See Convention programs in another column.

Charles Jackson of McTaggart, Assa., arrived in the village last week and intends spending a month with relatives and friends in this vicinity. It has been a number of years since Charles left here and he sees considerable change and a number of new faces. He looks the picture of health as most people from the West do.

Snow shovelling on Sunday has no more to recommend it than cutting wood or making a pair of shoes on the sacred day, but the good people of Jarvis think it has. Men who will amuse themselves with a snow shovel on a winter Sabbath should have some difficulty in composing their countenances into the proper gravity to rebuke when a boy takes down his fishing pole on a balmy Sunday in June. But the lack of humor and the want of logic make many a man consistent in his own eyes.

### Wm. Parkinson had an ice bee yesterday and completed the supply needed for the season.

Rev. D. M. Buchanan will take for his subject "A young man's safeguard in the perils of this age" next Sunday evening in Knox church.

Mr. Fry of Dunnville has been in Jarvis for the past two days putting in a new press for 'The Jarvis Record' and now we expect The Record to be printed in first-class shape.

C. E. Bourne, at the library meeting read a very interesting letter from his son in Alaska. Winter is quite severe and days 4 hours long. The letter was about seven weeks coming to Jarvis.

The Inspector of Division Courts made his annual inspection of the books of the Clerk and Bailiff of the Fourth Division Courts and complimented them highly on the way the business of the court had been conducted.

This week we again publish a 10-page paper instead of eight. It is no easy work to do so but we are compelled to on account of the rash of advertising. The people of Jarvis and Simcoe know that it pays them well to advertise in The Record.

The W. M. S. of the Methodist church held their February meeting at the home of Mrs. Chas. Walter, yesterday. A very large attendance was present and after an interesting program, the hostess entertained the company with a delightful luncheon. An evening of social converse and song followed.

A phone message came to the Bell telephone office to-day from Dover inquiring for the lost hockey boys, as they had not made home yet this morning. When told they were so badly defeated they were ashamed to go home, the score being 21 to 2. The inquirer answered by saying, well we will not look for them now.

T. W. Beamish, we are sorry to report, is laid off from work for some time on account of his eyesight. He went to Hamilton on Thursday to see a specialist who found his eyes in bad shape. He has engaged John Ryerse of Port Dover a first-class harness maker to attend to the repairing of harness, etc.

DEAR EDITOR—Please allow me a small space in your columns for a request to those owing me accounts, large or small, to call at their earliest convenience and settle up. Also a request to one and all who are in the habit of getting credit at my store and spending their cash at other stores, not to do so any more as these accounts are no good to any storekeeper.—Wm. Buntin.

### Hockey Match

A very exciting game of hockey was played in the Palace, Rink Jarvis, Friday night between Marburg and Nanticoke, Nanticoke being victorious by one goal the score being 6 to 7. The teams were tie at half time and tie at full time. After full time they played 5 minutes each way and Marburg scored the winning goal. If Ross, Nanticoke's main forward man had not torn his skate loose the last ten minutes of the game it would likely have still been a tie. It was a good hockey match and both teams were tired at the finish. E. T. Carter gave entire satisfaction as a referee and allowed no rough playing.—Com.

### A Successful Sale.

The sale of dairy cattle at the farm of Mason Bros., Townsend, on Jan. 26th was well attended and although the weather seemed doubtful about 400 were present. Individual records were placed in the hands of the buyers and as each cow entered the ring her record was known, consequently brisk bidding, and the auctioneer being at his best the 27 head were disposed of in an hour and a half. Those from a distance were Mr. Woolley of Burford, the heaviest purchaser, who secured six head, Mr. Mouroe, of Niagara Falls; Mr. Hyatt, west of London; Mr. Shepherd and Mr. Cowan of Tillsonburg, the latter paying the highest price for a cow which was \$100. The six best sold at an average of \$90 and the cash receipts were \$1477.

### Public Library Annual Meeting.

The adjourned annual meeting of the Public Library was held in the Temperance Hall on Monday evening, Jan. 31st with a fair attendance. The minutes of the last annual and subsequent meeting were read and on motion of C. E. Bourne, seconded by C. G. Allen, were adopted.

The Treasurer, A. Rodgers, presented his report which was as follows:—Total receipts, \$108.82, expenditure, \$98.92, balance on hand, \$9.70.

The Librarian's report was as follows:—Books issued, fiction, 698; miscellaneous, 307; literature, 282; history, 206; voyages, 160; religious, 38; poetry, 7; biography, 9; science, 6; total 1708.

On motion of A. Rodgers, seconded by Rev. Mr. Harwell, the report was adopted.

It was then moved by C. E. Bourne, seconded by Rev. Mr. Harwell, that all the retiring officers and directors be re-elected. Carried.

It was also decided not to purchase any newspapers for the reading room this year and to ask through the medium of the Record for donations of magazines for the Library.

Moved by C. G. Allen, seconded by Bruce Hare, that we do now adjourn to meet at the call of the President or Secretary.—Carried.

### St. Paul's Church.

The meeting of the Church Guild held at Mrs. Hartwell's on Thursday last was well attended. Many who had not been members were present. The ladies present discussed the proposition made by the rector that the Guild become merged into a branch of the Women's Auxiliary to missions and finally decided on the step. The Guild has done excellent work during the past 4 years and has had the happiness of seeing the church entirely freed from debt. The Guild will therefore become the Women's Auxiliary. The scope of work will be unchanged only adding to the parochial work some definite missionary undertaking. A meeting to complete the organization will be held at Mrs. Murdoch's on Tuesday, Feb. 8th, at 2.30 p.m. sharp. Mrs. Houston, the Organizing Secretary of the Diocese of Niagara, will be present. All the women of the parish are invited to meet Mrs. Houston and it is hoped that many who were not at the first meeting will be present so that there will be a full attendance. All are asked to bring hymn books the hymns to be sung are number 307 and 692 (1st tune).

A very successful meeting was held yesterday at Mrs. J. Still Jones' the members deeply regretted the absence, through illness, of Mrs. Chambers, the President.

A meeting of the men of St. Paul's will be held this (Wednesday) evening at Dr. Lewis' office in connection with the Layman's Missionary Movement in the Diocese of Niagara.

The tea for the girls of the junior auxiliary has been postponed until next Monday afternoon at 4 o'clock.

Mr. and Mrs. Wm. Falls left to-day to spend a week visiting relatives in St. Thomas.

### Selkirk Poet.

There hails a man from Jarvis  
And you may guess his name;  
We welcome him in Selkirk:  
Because we know he's game.

Wherever you do meet him,  
You'll find him full of news;  
And he can cheer your spirits up,  
If you should have the blues.

That he wears a smiling countenance,  
Is what we must confess;  
And in him there is some good traits,  
That few people do possess.

If you are in need of any help,  
He's the first one to be there;  
He never is so busy,  
But he has the time to spare.

If the church is short of funds,  
To him they're sure to go;  
And he will always help them out,  
In that he is not slow.

That he can raise the money,  
Is a thing we can't deny;  
And if he don't succeed,  
None other need to try.

If he asks a man for money,  
He never need say no;  
For he will reach his pocket,  
Before he'll let him go.

We all do have our failings,  
And them he's not without;  
But if you get into the ditch,  
He is sure to help you out.

He has got a faithful helpmate  
Of children he has three;  
They are as fine a family  
As one would wish to see.

All ye who read this rattling rhyme,  
Your thinking cap put on;  
And guess the foot this shoe will fit,  
And then go and put it on.

They call me the Selkirk Bard,  
They may call me this or call me that;  
Or call me what they may,  
For I was born in a land where they  
can rhyme as well as play.
