Chalmers' Church Anniversary.

The attendance at the anniversary services last Sunday in connection with Chalmers Church was good both morning and evening and the services of Rev. W. M. Fee of Dunnville were highly appreciated. The bad state of the roads on Monday prevented as large a crowd coming out to the tea-meeting and concert as usual but the entertainment was excellent. Rev. Mr. Fee was unable to remain over on account of another engagement, and Rev. Mr. Smith of Clanbrassil started out to come but on account of the condition of the roads had to return. Notwithstanding these disappointments the program was a lengthy one. Miss Dickenson, the soloist, rendering several pieces in excellent voice and her guitar solos were very much applauded. Miss Ingle, the elocutionist, is but a young girl but her artistic powers—particularly her mimicry—were marvelous. Many declared her to be the finest elocutionist they ever heard. The two artists were heartily encored and the memory of the excellent program they rendered will linger long in the mind of all present. Rev. D. M. Buchanan acted as chairman. The splendid reputation of the ladies of Chalmers' church in preparing a good table was well maintained as usual.

St. Paul's Church.

A meeting of the men of the Congregation was held on Friday evening. There was a very good attendance, the object being to consider the best method of raising the Missionary and Diocesan apportionment. After a full discussion it was decided to adopt the "Duplex Envelope" system after Easter. In the meantime a committee consisting of Messrs. E. F. Jones, Sotter, Campbell and Lindsay was appointed to collect the Diocesan Apportionment for the year and explain the working of the new envelope.

On Sunday morning the Rector's subject will be "Vastile," or "Virtue at bay," and in the evening the Parable of the Profigal.

The Cottage service on Wednesday evening next will be at Mr. Frank Somers'.

On February 8th a meeting of the women of St. Paul's church was held at the residence of Mrs. Murdoch for the purpose of organizing a branch of the Women's auxiliary missions. Mrs. Belt opened the meeting. Mrs. Leather Diocesan President for Niagara, who was present to organize the branch, then addressed the meeting. It was most interesting to note the growth of the W. A. since its beginning twenty-four years ago. It began by eight women desiring to do some work in a missionary cause and has grown to such an extent that at present there are 1399 Parochial branches with a membership of 36,000. In the past year \$60,000 has been raised for missions. Election of officers then took place: Honorary President, Mrs. Belt; President, Mrs. Chambers; 1st Vice Pres., Mrs. J. Sill Jones; 2nd Vice Pres., Mrs. Morrow; Treas., Mrs. Hartwell; Recording Sec., Mrs. J. S. Burwash; Cor. Sec., Mrs. J. A. Campbell; Delegates, Mrs. Lewis and Mrs. Campbell; Substitutes, Mrs. Belt and Mrs. Murdoch; Auditors, Mrs. McFarlane, and Miss Bourne; Rectors representatives, Mrs. Sotter and Mrs. Hair. A resolution of sympathy to Mrs. Hous-tin in the death of her son was passed. After a few words of thanks to Mrs. Leather and encouragement to the society, Canon Belt closed the meeting.

A Great Treat.

Ralph Connor's new story "The Foreigner," has been bought by the Family Herald and Weekly Star of Montreal and publication will begin in two or three weeks. Ralph Connor's former stories "The Doctor," "The Prospector," "The Man from Glengarry," and others have made him famous as a story writer, and "The Foreigner" is regarded by many as his best. It is a thrilling story of the Canadian West. It is said that the price was the biggest by far ever paid for a serial story. It will be a great treat to readers of the Family Herald and Weekly Star and those who become subscribers to that great weekly during the next two weeks will be in time for the opening chapter. The beautiful picture "The Soul's Awakening" is still offered as a premium. The combination is the biggest dollar's worth in the market to-day.

Patrons Annual Supper and Concert.

Thursday evening last our village was swarming with the country folk who came in to attend the annual supper and concert of the "Imperial" creamery and, seldom, if ever, was there such a large gathering in the village to attend an entertainment of any kind. Judging from every standpoint this year's function was the most successful ever held in the history of the creamery. The supper was served in the Temperance and Foresters' halls from 5 to 7.30, and it is estimated that there were over 150 rigs in from the surrounding country, and that between seven and eight hundred partook of an excellent supper.

After the supper was over the business and program was carried out in the Music Hall, which was too small by far to accommodate the vast crowd that had gathered, many of whom could not get standing room and had to remain outside. Mr. James Hodges was elected chairman and filled the chair in his usual able manner. Deputy-Reeve W. D. Roulston was unanimously chosen as secretary. After the reading of the minutes of last year's annual meeting and their adoption, the chairman called for a report from the auditors which was read by Mr. R. A. Walters, and was very satisfactory to the patrons and showed that the "Imperial" had done a very flourishing business during the past year. (See full report on another page.)

William Parkinson, proprietor of the "Imperial" and butter king of this part of Canada, was then called upon to give his annual address, which he did in good style. He gave figures and compared the amount of business done this year with other years and other factories, and also gave the patrons some pointers on how to care for the cream in winter and summer. He said that the "Imperial" had second place in the creameries of Ontario, there being but one factory in advance (meaning, we think, the Ontario creamery at Guelph) and if the proper steps were taken the "Imperial" would be in the lead another year.

Short addresses were delivered by Mr. Best, Sr., Rev. Mr. Harnwell, Rev. Mr. Buchanan, Mr. W. D. Roulston, all of which were much appreciated by the audience.

Upon motion the old contract between Mr. Parkinson and the patrons was to remain in force for 1910, which allows Mr. Parkinson as high as four cents per lb. for making the butter. Mr. Parkinson charged three cents per lb. for making during 1909, and he said if as much or more cream came this year the price for making would not likely be higher than last year. James Davidson and Robert Wilson were appointed auditors for 1910.

A program consisting of vocal and instrumental music and recitations, was given between the speeches and business part of the meeting, and the following took part, and was well received by all present:—Westerby Orchestra, Sandusk; song, Mr. Chas. Howard, Springvale; instrumental, Mrs. James Pollock, Nelles Corners; song, Mrs. John Thompson, Rockford r duett, Misses Parkinson; song, Miss Benn, Courtland; recitation, Mrs. Chas. Walters.

Just before closing Mr. Andy Miller, on behalf of the patrons of the "Imperial" presented Mr. Parkinson with a silk hat. Mr. P. thanked the patrons for their gift and said that he would wear it at all meetings of patrons of the "Imperial."

We wish Mr. Cox and his family success.

Sunday School Convention

The Annual Convention of Jarvis and South Walpole was held in Jarvis Methodist church, February 8th, 1910.

The President, Rev. H. J. Harnwell, called the meeting to order, opening with hymn 196. Prayer by the President, followed by reading Prov. 4.

The following business was then transacted by the President in his own bright cherry way, viz.:—The appointing of auditors, business committee and nominating committee. Reading of minutes of previous convention was next on program.

Rev. R. J. M. Glassford, B. A., Field Secretary, addressed the Convention upon "Your Scholar, his Nature and Nurture." This address was packed full of instruction, bright and cheery. It certainly was a treat to listen to this speaker who spoke three times during the Convention. In the afternoon his Round Table Conference was something to look forward to at another Convention. All who listened to his masterly address in the evening on "The Big Boy Problem" will remember and be convinced there is a work for each one in this particular part of the Master's vineyard.

The afternoon session was opened by Rev. H. J. Leake conducting devotional exercises.

Mrs. Mills, of Canfield, was the first speaker of this session. Her subject was "Primary Class Work." The speaker dwelt upon the importance of this phase of S. S. work in such a manner that surely all primary teachers will feel it is indeed a great honor to be such a teacher. Reports of Secretary Nominating Committee and Treasurer were then given.

Rev. H. J. Leake then gave a practical Bible Class Lesson upon Matt. 6:1-18. This lesson was listened to with rapt attention by the congregation and thoroughly enjoyed by all.

Rev. Canon Belt was next listened to delivering a very fine address upon "Our Lord's Method in Teaching."

The evening session open with a song service led by Mr. MacNeill. Devotional exercises conducted by Pastor of Convention church. A paper on "Home Department" was read by Mrs. Evans.

Rev. D. M. Buchanan, B. A., followed in a most scholarly address upon the subject "A week with the Model S. S. Teacher," which will surely never be forgotten by those who listened.

Bright cheery hymns and solos were interspersed between the addresses.

Four new departments were considered by the Convention, and the following officers or superintendents appointed:—

Primary and Cradle Roll department—Miss Johnston, Jarvis.

Adult Bible Class—Mr. William Wicker, Nanticoke.

Home Department—Mrs. W. H. Evans, Nanticoke.

Temperance Department—Mr. W. Machell, Jarvis.

Officers for the year are:—President, Rev. H. J. Leake, Nanticoke; Vice-Pres., Rev. D. Catchpole, Selkirk; Secretary, Mrs. W. H. Evans, Nanticoke; Treasurer, Mr. James Davidson, jr., Jarvis.

Dangerous Dandruff.

Will Make Canada a Baldheaded Nation if Not Checked.

M. Pasteur, the great French Physician of Paris, once said: "I believe we shall one day rid the world of all diseases caused by germs."

Dandruff is caused by germs, a fact accepted by all physicians.

Dandruff is the root of all hair evils. If it were not for the little destructive germs working with a persistency worthy of a better cause, there would be no baldness.

Parisian Sage will kill the dandruff germs and remove dandruff in two weeks or money back.

T. E. Morrow guarantees it. It will stop itching scalp, falling hair and make the hair grow thick and abundant.

It puts life and lustre into the hair and prevents it from turning gray.

It is the hair dressing par excellence, daintily perfumed and free from greasy stickiness. It is the favorite with women of taste and culture who know the social value of fascinating hair.
