

Make Each Animal Worth 25% Over its Cost On 3 of a Cent a Day

Nobody ever heard of "stock food" curing the bots or colic, making hens lay in winter, increasing the yield of misk five pounds per cow a day, or restoring run-down animals to piumpness and vigor.

When you feed "stock food" to your cow, horse, swine or poultry, when you feed in them what you are growing on your own farm. Your animals do need not more feed, but something to help their bodies get all the good out of the feed you give them so they can get fat and stay fat all year round; also to prevent disease, cure disease and keep them up to the best possible condition. No "tock food" can do all these things. ROYAL PURPLE STOCK SPECIFIC can and does. It is Nota "Stock Food" Buta "Conditioner" ROYAL PURPLE STOCK SPECIFIC contains no grain, nor farm products. It increases

roun three to five pounds per cow per day before the Specific has been used two axes the milk richer and adds flesh faster than any other preparation known, fed with ROYAL PURPLE are as large at six weeks old as they would be when with ordinary materials at ten weeks.

The "Poor" Farmer.

Talk about the "poor farmer" says Aylmer Express, last week Harley Teeple, of Jaffa, brought in a load of clover seed and sold it to G. A. Bingham & Co. for \$532, and it wasn't a very big load, either. Subscription: \$1.00 a Year in Advance There are so many ways for a farmalthough we notice that many of them take the one with the least work. All the farmer has got to do now is to keep half a dozen hens laying and the problem of living is solved. If he raises two or three hogs also, he is safe in erecting a new barn. A good three-year-old steer would pay off the biggest mor-Printing. Good presses, new type and gage in the country. Half a dozen dairy cows produce more profit than half the mines of Cobalt, while an average-sized flock of turkeys, which will hunt their own living all absolutely necesssary for copy of change summer, will enable the farmer and his family to spend the winter months in Florida. When you add to this list butter, hay, wheat, corn, oats, horses, sheep and other products of the farm, and remember that he gets cash for everything he sells, the mystery why every farmer who comes into this office to renew his subscription, pulls out a roll of bills as big as your leg (with nothing smaller than a five) is solved. After a long, wistful look at the object of so much money, the poor printer turns his back on the farm-The Bank of Hamilton Annual er and his wad, brushes away a few that indicate a highly successful the town to hunt for one who can change a five.
