RAILROAD FARES REFUNDED.

THOMAS C. WATKINS, LIMITED,
King and Hughson Streets, HAMILTON.

Western Fair.

Sept. 9th to 17th, London, Ont.
The many and varied uses to which Cement is applied at the present time, and the many different kinds of machinery used in its manufacture and construction work, has proven to the management of the Western Fair the necessity of providing suitable accommodation for such exhibits. They have therefore erected this year a new building, 44 x 120 feet, for this purpose. It is a roomy structure, well lighted and ventilated, with Cement floor, and everything adapted for the purpose for which it was erected. This building will ease the congestion there has been in the Machinery Hall in the past, and Exhibitors may be assured that everything possible will be done for their comfort. Any firms wishing space should communicate with the Secretary at once in order that arrangements may be made. The exhibits in the Main Building will be changed somewhat this year and made if possible more attractive. Any space required there should be applied for soon as it is being allotted fast. All information will be given by A. M. Hunt, Secretary, London, Ontario.

Magazine Changes Name.

With the July issue "The Home Journal" changes its name to "Canadian Home Journal." During the last two years when this Canadian Women's Magazine obtained an assured place among Canadian periodicals there has been much confusion between this magazine and The Ladies Home Journal of Philadelphia, U. S. Last year the size of The Home Journal was greatly enlarged and the magazine improved in every way and its sale became generally up on the newstand, since then the difficulty of distinction between the home and foreign Journals has been still greater, until finally it was decided to make this change of name.

The bowling schedule in which Port Dover, Jarvis, Waterford and Hagersville are interested, opens on June 16th with Port Dover as Waterford and Hagersville at Jarvis.

Danger in Delay.

Kidney Diseases Are Too Dangerous for Jarvis People to Neglect
The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy, Booth's Pills, which have cured people right here in Jarvis.
Mr. A. Booth, of Main St. Jarvis, says,
"I had frequently felt dull, twinging pains across the small part of my back. They would catch me when I would stoop over or lift anything from the floor. The urine had been highly colored and frequently there was a dark brown, brick dust sediment. I had tried several different plasters, etc., but had found little or no benefit. I learned of Booth's Kidney Pills and on advice of a friend I procured a box at Mr. Morrow's grocery. I had not taken many of them when I began to realize the pains were gradually leaving my back and it was strengthened. The urine cleared and I have felt well ever since."
