### T. E. Morrow's Dream

While snoozing in my store  
 This vision came to view,  
 For I saw an angel enter,  
 Dressed in garments white and new.  
 Said the angel, "I'm from Heaven:  
 The Lord just sent me down  
 To bring you up to glory  
 And put on your golden crown.  
 I've a place I wish to show you;  
 It's the hottest place in Hell,  
 Where the ones who never paid you  
 In torment forever dwell."  
 Said the angel, "Come on Morrow  
 There are peary gates to see."  
 But I only muttered,  
 "This is heaven enough for me."

Not wishing to add costs on my customers those indebted to me should arrange a settlement before the 20th. inst.

Respectfully yours,

THE OLD RELIABLE **T. E. MORROW**

### Marburg

I wonder where the man is that prophesied it was going to be so hot on earth when the earth passed through the tail of the comet to scorch everything. Guess he better try it again.

There was a bee cleaning out the church here on Saturday afternoon. The singing school had the use of the church all winter for the last two winters, but when it comes to cleaning it out after them only two or three put in appearance. We think if they have it another winter they had better pay for it or clean it out when it is over and leave things as good as they found them.

There is to be Conference held in this place of the Messiah church beginning on the eighth and lasting over the Sabbath.

The Bealton boys came over on Friday night last with a picked team to play a return match of football. They succeeded in defeating our boys by a score of 2 to 0. Not such a bad defeat though boys, with a team picked from all over the township. Our boys also acted the man by playing the picked team. Some would not have attempted to play at all.

We were sorry to hear that Mrs. Elgin Mason had gone to Hamilton to the hospital to undergo an operation for cancer. We understand the operation was successful but she is still very weak. We hope for a speedy recovery.

Some of the readers of the Record and who are also members of the Selkirk Rifle Association have been wondering what has become of the correspondent who was sending in a list of the scores made at their weekly practice on the Range at Peacock Point. Well we have been somewhat under the weather, the doctor said it was inactivity of the brain, he hinted to us that it might have been contracted at Doughers, but we think the doctor was mistaken. Of course we are not casting any reflections on his professional ability as we have a very high opinion of him and his profession, and as we are strictly temperate and never in our lives tasted anything very much stronger than Walker's Imperial, there must have been some other cause. We think that it started from a cold we caught getting up to early in the cold spring mornings to study the movements of Halley's comet, and as that luminous heavenly body has safely swung across our orbit without as much as even switching a fly off our terrestrial ball, and is now fast receding from us through the immensity of space our nerves are feeling somewhat better and our brain more active, and will be able to supply the readers with a list of bulls eyes and goose eggs as they are made from week to week.

The first league match of the Civilian Rifle Association took place on the range at Peacock Point on Saturday, June 4th, the Selkirk Association had two teams, of ten men per team entered, but owing to being called away on business there were only five competitors in the second team. The scores were not as high as they should have been owing to a bad light it being hazy which made it difficult to draw a fine sketch, the following is a list of the scores at two, five and six hundred yards:—

	200	500	600	Total
M. Deal	31	39	27	98
F. Tyrrell	25	30	29	84
Wm. Edsall	28	50	24	72
E. Murphy	27	27	25	70
M. Lindsay	27	26	22	75
W. Deal	25	21	27	73
F. Lindsay	25	23	19	67
D. Macdonald	25	24	17	66
C. Beck	21	26	23	70
B. Breeze	30	19	21	80
Dr. Johnstone	19	23	24	66
L. Ranch	31	25	23	79
J. K. McFarlane	22	17	18	57
A. Lamb	14	15	25	54
B. Griffin	25	15	16	56

The next league match takes place on June 13.
