### Three Killed At Aylmer, Ont.

Aylmer, Ont. June 19—A triple fatality occurred here at noon today when two women and one man lost their lives at the Wabash crossing in the town.

Thomas F. Hare, a well-to-do farmer of Malahide township, aged 70 years of age, his wife Harriet, aged 68, and her sister, Miss Annie Scott, aged 60 years, of Ottawa, were driving home from church and were caught on the Wabash crossing by the second section of the westbound express, which was running at the rate of 50 miles an hour.

The engine struck the conveyance squarely on the side and the three occupants were thrown twenty feet in the air. Mr. and Mrs. Hare were instantly killed. Miss Scott lived for two hours, but never regained consciousness.

A number of people witnessed the accident and the coroner at once notified the Crown authorities at St. Thomas. C. F. Maxwell, Master-in-Chancery, acting Crown attorney in the absence of Mr. Grimmon, drove down, empaneled a jury who viewed the remains, and adjourned the inquest until June 27. The horses escaped injury, but the carriage was smashed to match-wood.

This crossing is a particularly dangerous one, owing to a sharp curve. A person driving is not able to see a train coming.

The train was in charge of Engineer Sanderson, one of the most careful and experienced employees of the Wabash Railway at St. Thomas. He stated after the accident that he had given the customary signals, but the carriage had driven on to the tracks directly in front of the swift moving train and it was impossible to do anything to avert the catastrophe.

### The Council respectfully request all freeholders to turn out and vote for the By-Law on Thursday, June 23rd, 1910.

A garden party and strawberry festival will be held on Friday evening, July 1st, at Orchard Grove, Cheapside, under auspices of Local Improvement Committee. To-morrow (Thursday) the freeholders of Jarvis are called upon to cast their vote for or against the exemption of taxes on the evaporator and pickle factory of Johnston Bros. Both the evaporator and the pickle factory are a great benefit to the village, and to the farmers for miles around, and our citizens should encourage the Johnston Bros. in their enterprise by giving them free taxes for a period of ten years. They have been under a heavy expense by being burned out last fall and if they are not exempted from taxes they may not rebuild. Vote for the By-Law.

St. Paul's church will hold their annual garden party on the Fair Grounds, Jarvis, on June 29th, and will, as in the past, be a grand affair. A football match takes place between Springville and Jarvis, commencing at 6.30 p.m. Fred R. Pursel, the comedian of Simcoe, who is well and favorably known here, and Pursel's Orchestra have been secured to furnish the musical program for the evening. During the evening a grand display of fireworks will take place. Ice cream, lemonade, etc., will be served at the booths. Admission and supper 25c. Be sure and attend and you will spend a most enjoyable evening.

### Still Another.

MR. EDITOR:—In scanning the ravings of "Citizens" in last week's Record I noticed that he claims that I called him a coward in my former answer to him in so much that he was afraid to publish his name and then that I proceeded to hide my own identity. Now, Mr. Editor, if "Citizen" would scan the Jarvis items in the "Advocate" he would find out that my name is given as Jarvis Correspondent. I do not attempt to hide the fact. Yet, after trying to create this false impression, Citizen fails to sign his own name suggesting name. Wonder why? The heat seems to have affected his cranium. I think he must have been in the Council Chamber, he was complaining about. Must have been to know anything about it, in regard to his statement that I am growing more like my dad every day I would say that I certainly am not ashamed of the fact and indeed would be proud to be considered a "chip of the old block." Say "Citizen" was there any By-laws in Napoleon's time?—JARVIS CORRESPONDENT, HALDIMAND ADVOCATE.

Five Silver Cups have been kindly denoted toward the Cheese Department and one to the Butter Making Competition, in addition to the Cash prizes offered, all of which should make the Dairy Building one of the most attractive places of this year's Exhibition. Our bowling team visited Jarvis and had a very friendly game during the afternoon, but we noticed that they returned home very guilty at an early hour in the evening, and as yet some of us have not learned the score, but are counting on showing the neighboring teams how to bowl before the season is over.

### Bowling League.

Jarvis started their fight for the championship of the New Bowling League in a very auspicious manner on Thursday afternoon last by defeating three rinks from the Hagersville Club, on the local laws.

The game was started on schedule time and proved to be very close indeed until just the last few ends when the Jarvis Club seemed to realize their close proximity to defeat and "bucked up" as a small boy spectator was heard to say. Then was shown some of the finest bowling ever seen on the local lawn, and when the final score was announced Jarvis proved to be the winner by twenty-eight points. The teams were as follows:

JARVIS	HAGERSVILLE
C. Bourne	D. N. Almas
F. Burkhardt	H. Byres
E. Carter	S. E. Lindsay
R. LePan, S. 31	H. Gallagher, S. 9

SECOND RINK

C. G. Allen	J. Hagar
J. S. Burwash	J. Heaslip
D. F. Aiken	P. Howard
J. Y. Murdoch, S. 14	G. Dustry, S. 17

THIRD RINK

L. A. LePan	J. Sheldrich
J. A. Campbell	B. Wedrick
D. C. Allen	E. F. Morris
L. A. Laur, S. 25	W. C. Mackie, S. 10

At the same time that Jarvis was putting a crimp in Hagersville's pennant chances Waterford was doing the same to Port Dover.

The standing of the League is as follows:

Jarvis	1	0	11
Waterford	1	0	11
Hagersville	0	1	11
Port Dover	0	1	11

William and Mrs. Beck, of Hagersville, spent Sunday with the former's brother, Cyrus Beck.

On Saturday of last week while Mr. and Mrs. William Lindsay were driving along the first concession, a short distance west of Selkirk, their horse became frightened at an auto and ran away throwing both out. They were both injured, Mrs. Lindsay quite seriously. The horse continued running west and while passing M. Walker's, George Walker undertook to stop it when he was knocked down, the horse and rig passing over him, he also was seriously hurt, but to what extent we have not yet ascertained.

The second League match of the Civilian Rifle Association took place on Saturday, the 18th. The scores of the Selkirk Association were not as high on the average as two weeks ago, although the best individual score was one point above the previous match. A change in the wind from south west to north east during the time of firing was the cause of the lower average, as the sights of the guns had to be changed and consequently there was a few shots lost. The following are the scores at two, five and six hundred yards:

	200	500	600	Total
M. Lindsay	32	25	32	89
M. Deal	30	27	24	81
