

# THE RIGHT HOUSE

Hamilton's Favorite Shopping Place.

## OSTRICH PLUMES

Greatest sale of black, white and colored Plumes that Hamilton has ever known.

\$7500 worth of graceful, luxuriant, guaranteed Plumes to sell for \$4500.

THOMAS C. WATKINS, LIMITED have just purchased and placed on sale, the whole stock of one of the leading Canadian importers of genuine Willow and Duchess Plumes and Ostrich Tips, in black and white and in all colors. It is the business of several people to see that no exaggeration appears in any Right House advertisement, so that, when we tell you that this \$7500 stock of black, white and colored Plumes—Willow Plumes, Duchess Plumes, and beautiful three-ply Tips—will sell in many cases at FAR BELOW HALF PRICE, you will understand that the greatest opportunity for the purchase of an ever-useful and ultra-stylish Plume is at hand. A seasonable offer? Yes!

From New York milliners comes word that in these days when Feathers can be made over in any number of ways, one good Ostrich Plume is as safe an investment as a diamond.

From Paris an expert writes that no other trimming is now necessary on a smart shaped hat than a single Willow Feather or at the most, two of them.

- |   |   |  |
|---|---|--|
| <b>Willow Plumes</b> in black and white, 22 to 24 inches long, two and three ply, double hand tied and worth from \$20.00 to \$30.00, will sell at <b>\$16.00 up.</b> | <b>Duchess Plumes</b> in black and white, extravagantly graceful and luxuriant, long full fibres which are fully guaranteed and worth \$20.00 and \$25.00 will sell at <b>\$15.00 up.</b> | <b>Ostrich Tips</b> 14 to 16 inches long, two and three ply and in every conceivable shade and worth \$7.00 to \$8.00 each, will sell at <b>\$2.98</b> |
|---|---|--|

Remember please, that The Right House will refund your return railroad fare from Jarvis to Hamilton on a total purchase of \$25.00 in any one day.

**THOMAS C. WATKINS, LIMITED,**  
King and Hughson Streets, HAMILTON.

### County Council

Continued from fourth page.

The foregoing statement will show the regularity of attendance of pupils of each township. The township of Oneida shows the highest percentage of average attendance in the county. The percentage of average attendance in the county is 83. While this is as high as any other county in the province, yet I do not think we have reached "high water mark." Very much better results might be attained by concerted action on the part of the trustees, parents and teachers.

The action of the township councils of the county in appointing truant officers will have a beneficial effect.

During the year, 99 teachers were employed in the rural and urban schools of the county with qualifications as follows:—First-class, 5; Second-class, 44; Third-class, 50.

For the past two years some difficulty was experienced by the school officers of the county in securing regularly qualified teachers. The lack of such throughout the province is due principally to two causes:

1.—The large number of First and Second-class teachers of Ontario, going yearly to Manitoba, Saskatchewan and Alberta, owing to the remunerative salaries received by the teachers in the younger provinces of Canada.

2.—The passing of County Model Schools and of Limited Third-class certificated teachers and the coming of Provincial Normal Schools and permanent Second-class certificated teachers. After June 30th of this year trustees should experience no difficulty in securing properly qualified teachers.

I think it prudent to withhold criticism of the present system of training and licensing teachers until the system has been thoroughly tested.

#### Classification of School Houses.

Canboro	3	1	—
Cayuga, N.	2	3	1
Cayuga, S.	2	2	—
Dunn	2	3	—
Moulton	2	1	—
Oneida	4	4	1
Rainham	3	4	—
Seneca	5	3	—
Sherbrooke	1	—	—
Walpole	2	6	5

From this statement it will appear that there are 74 school houses in the rural school sections of the county, and that they are classified as follows:—Excellent, 7; Good, 30; Fair, 27; Bad, 10.

New school houses should take the place of those classified as "Bad." There will be at least one less in the latter class of 1911, as the trustees of S. S. No. 1, Walpole, have decided to build, during the current year, an up-to-date school house. When this school-house is finished, it will be one of the most commodious and artistic in the province.

I am of the opinion that the Trustees and all school supporters should have more liberal encouragement in the building of new school-houses by a substantial government grant.

### Should the government give a more generous support in this respect a stimulus would be given to the rate-payers to supply, by fine and well-equipped school-houses, edifices that now, in many cases, are no credit to the school sections in which they are situated.

#### Urban Schools.

There are five Urban schools in the county, viz.:—Dunnville, Caledonia, Cayuga, Hagersville and Jarvis. In each of these schools there is an efficient staff of teachers and their work is very satisfactory.

#### Teaching Staff, Etc.

Dunnville	8	7	1
Caledonia	4	4	—
Cayuga	3	2	1
Hagersville	4	4	—
Jarvis	4	2	—

The schools are fairly well equipped. Only two, however, have a library, viz., Cayuga and Jarvis.

The town of Dunnville furnishes the best school house in the county. In fact, it is one of the best in Ontario. The class rooms are quite up to the legal requirements of the day. The halls are spacious and add greatly to the important item of ventilation.

In conclusion, I beg to thank teachers, trustees and very many others for the kindness and courtesy extended to me during my official visits.

#### CLARK MOSES, Inspector.

Caledonia, March 5th, 1910.

A by-law was passed to form the Village of Canfield into a Police Village.

#### Building Committee Report.

The report of the Building Committee was adopted as follows:—That your committee met in Dunnville on April 22nd, and after a careful inspection of the barn, we decided that, owing to the height of the posts, and the frame not being heavy, it would not be advisable to have it placed on a nine-foot wall, but rather to have a concrete wall four feet high and use four or five feet of the present wall of the barn to get the desired height for the stables. Your Committee is satisfied that there will still be plenty of barn room to meet the requirements of the farm. We also arranged to have a hen house and pig stable built; and the contractor to raise the barn, dig foundations and build the wall, and also to dig foundations and build wall for hen house and pig pen; and to furnish all the material required, with the exception of frames, doors and sash, which work was given to Gerard Smith, amount \$255. This work has been finished.

We would also report that a concrete floor has been laid in the horse stable. This floor is 20 x 36 and 6 in. thick. We expect that the floor in the cow stable will be finished by the end of this week. We would recommend that Gerard Smith be paid \$200 on account.

#### WM. BAIN, Chairman.

#### Home Committee Report.

The report of the Home Committee was adopted as follows:—

Dunnville, May 31st, 1910. Gentlemen.—We submit the following report:—

Paid G. P. Brown \$38.53 for the fol-

### lowing items namely:

Feed box, 25c.; gall cure, 25c.	\$ 50
Eggs, butter and bread	75
2½ days' with man and team	8.75
2,040 lbs hay, at \$12 per ton	12.25
Clevice, 40c.; G. Hall, feeding and keeping team, \$1.75	2.15

Meat, 30c.; meat, 30c.; groceries 68c	1.28
Mill feed, \$4.80	4.80
Finished sowing field peas on May 14th.	

Mr. Secord and Mr. Pyle met on May 31st and visited the House of Refuge and found the work progressing nicely. The bean ground is ready for sowing and also eight acres for roots and fodder corn.

The accounts of the Manager are as follows:—

Butter and eggs, 85c.; meat, 29c.; wash board and tub, \$1.25	\$ 2.39
Meat and butter, \$6.93; groceries, \$2.07	10.00
Wm. Friesman, two days' work with team, \$7.00	7.00
Mill feed, \$9.60; eggs, butter and corn, \$2.93	12.53
Staples, 25c.; lumber, 25c.; groceries and bread, \$2.73	3.23
Milk, 96c.; W. Fralick, labor, \$16.20	17.16
A. Nickerson, work with team, 48.25	48.25
Fodders, \$3.60	3.60
11 loads of manure, \$8.25; two loads delivered	2.00
2,500 lbs. hay, \$12.00 per ton	15.00
Hardware, \$9.92; 2 months' rent of stable, \$3.00	12.92
1,000 lbs. fertilizer, \$20.00	20.00

Total amount to date \$162.33

And the Home Committee recommended that County buy two cows.

#### HENRY PYLE, Chairman.

Sir.—Your committee appointed to consider what books should be kept about the House of Refuge affairs, have gone into the matter and beg to submit, that the form of books appears to be of as much importance as the books in some cases.

Your committee is of opinion that the only safe course to follow is to select books and have them prepared by a firm having experience in the matter and according to the forms used by those having experience in keeping such accounts.

Your committee has therefore concluded the books following should be procured:—A register of all persons admitted to and discharged from the House; a burial register; an account book showing all materials, provisions, fuel, clothing and other necessities provided for the use of the institution, and of all expenses and charges attending the maintenance and support of the institution, and of all moneys received by manager from sale of products of the farm or otherwise; a wearing apparel book; a visitor's book.

Your committee believe these books can be procured from the Review and Printing Company, Peterborough, and have ordered them from that company, directing that the books shall be prepared in the form used by the

### County of Victoria and have written Mr. McNeill, the Clerk of Victoria, enclosing a copy of our order and asking him if there be any book we should use, and if the form of books prepared is not according to his views of what is best, we shall be obliged if he would advise the printer of amendments.

#### HENRY PYLE, Chairman.

The several committees met. Cline—Walton—That the council grant \$50 towards raising the approach at the west end of the Cayuga bridge. Lost.

Road and Bridge Report. The report of the Road and Bridge Committee was adopted as follows:—Gentlemen.—We submit the following report:—

Hagersville Contracting Company, one car of crushed stone for bridge No. 2, on the County line between the County of Haldimand and Norfolk, \$40.55 R. Reynolds, teaming same .. 23.25 A. Culver, travelling (one-half the cost)..... 2.00 M. B. Shaver, team one day with Road and Bridge Committee ..... 4.10

Recommendations of the Road and Bridge Committee.

That the approaches to the bridge over the Spring Creek on the county line between Haldimand and the Indian Reserve be covered with crushed stone, and that W. D. Roulston be appointed to look after the same.

That 100 feet at each end of the approaches to the Cayuga bridge be put in repair, which the law requires, which we consider covers our liability to said approaches.

We also recommend that the railing on the Bradshaw bridge be repaired and also the approaches as they are in poor shape.

Owego Creek bridge abutments are in bad shape. We would recommend that the abutments be reinforced with plate and rods.

The county line bridge, between the County of Haldimand and Wainwright, known as the Wainwright bridge, can be brought to ten-foot bridge with sixteen foot driveway, a ten-foot arch or a steel pile.

Also Thompson Creek bridge requires railing on north side.

ALSON SHAVER, Chairman. Above adopted as read.

#### Report of the Supply Committee.

The report of the Supply Committee was adopted as follows:—

Gentlemen.—Your Committee met at Dunnville on May 24th and 10th last. We accepted tenders for nearly all the furnishings, which you instructed us to do at the last session of the county council.

The filing cabinet for the Surrogate vault and the desk for Crown Attorney's office have arrived. They are satisfactory and we recommend payment of the same, namely, \$155.00 for the former and \$6.50 for the latter, to the Office Specialty Co., of Toronto.

The amount of supplies and furnishings for the House of Refuge, ordered up to date and not paid for, is about \$1,000.00.

W. D. ROULSTON, Chairman. Bain—MacQuillen—That this Council adjourn until tomorrow at ten o'clock.—Carried.

Bain—Parsons—That a by-law be introduced for the purpose of fixing the assessment of the County of Haldimand for the year 1910 and that the by-law be now read a first time.—Carried.

Young—Smith—That the by-law be read a second time.—Carried.

Robertson—Cline—That the by-law be read a third time, signed, sealed and numbered as in the original motion.—Lost.

Parsons—Bain—That the report of the Committee of the Whole, fixing the assessment be altered to read as follows:—

Yes—Root, Walton, Smelser, Parsons, Bain, Smith, Young, Anderson, Secord, Shaver, and Roulston. Nay—Cline, Robertson, MacQuillen, Pyle, Avery.

Robertson—Cline—That the motion be amended by striking out \$26.00 per acre for Moulton and substituting \$25.00
