

The Busy Store **Miller, MacFarlane & Co.** The Busy Store
 SUCCESSORS TO **P. W. ARMSTRONG,**

Your Straw Hat Is Ready at M. M. & Co.'s

And it is the correct thing too, because we go to the very best makers for our hats.

Most straws look alike at first, but a week of sunshine or a sudden thunderstorm will work wonders with them—the sort you do not like. Ours always look well, hold their shape, and the prices are lower than those of exclusive hat stores.

We have a neat snap brim, a very dressy hat for young men at \$1.00, also have sailors for 25c. to \$2.25 each.

Summer Sale of Men's and Boy's Clothing

There's advantage in having first choice of this season's styles. We do our utmost in value and effect to win reorders. So all through our stock of suits you will find extra good values.

20 men's tailored suits, not the so-called (ready made) to be cleaned out to make room for our full orders.

Also 15 children's suits, sizes range from 24 to 32, plain and strapped knee pants.

Doing a cash or trade business our suits are not marked as high as other firms doing a credit business. We mark our clothing close and are not able to give such big cuts but give better values.

Very Special Sale of Spring Millinery

Beautiful spring millinery in different charming styles is now being shown in our millinery department. Artistic becoming shapes at prices one half their actual cost.

Men's Furnishing

A few lines that will interest most every buyer. Goods bought at the right prices and sold on a cash price means quite a saving and better values.

Men's Black Hide Filled shirts—a real good value at 75 for 50c. all splendid washers and good fits.

Men's fancy vests, fancy pockets, in white, tan and grey, real good value at \$2.00 for \$1.50.

We have full lines and can dress a man through out. Our new department at the rear of the store makes an excellent place for these articles, with lots of light and plenty of room. We will quote

a few lines which we put fresh into stock; Men's shirts, ties, suspenders, Paris-Garters—a garter made for summer wear and does not darken the legs. Green's collars in different shapes, felt hats in different shades and shapes, at \$1.00 each.

If It Is New It Is Here.
