Special Prices In Men's and Boys' Suits From \$2.50 to \$10.00

There are just four quarters to a suit, four things to be considered—Quality, Comfort, Style and Price.

Quality means best cloth and honest construction, style means shapeliness, comfort means good fitting and correct proportions. Price means—truly what does it mean? It depends upon the way you look at it. You can pay too little or you can pay too much.

We can vouch for this—Our Clothing from \$2.50 to \$10.00 will return more in actual every day wear and service than two suits of ordinary suits, because they are made to conform to the inexorable law of recompense—honest value for lowest price.

Hagersville.

The Garden Party held on the lawn of the Methodist church Parsonage last Thursday evening was a decided success. The Villa Nova orchestra furnished music throughout the evening.

The bowlers of Port Dover played against the Hagersville team on our home rink Thursday afternoon, which resulted in a victory for Hagersville. After the game they all wended their way to the parsonage grounds, where they found all kinds of delicacies awaiting them, and were soon giving way to their feelings.

Mr. Harvey, of Burlington, exchanged pulpits on Sunday last. He delivered eloquent addresses both morning and evening, which were enjoyed by a large and attentive congregation.

Several of our townspeople attended the special service for the Masonic Order in St. Paul's church, Jarvis, on Sunday afternoon.

Robert Anderson has been appointed to fill the vacancy of chief constable, caused by the resignation of Thomas Harrison.

If you wish to laugh don't fail to hear the great humorist of Canada at the Garden Party in the Hagersville Park on Friday evening next.

Brooklyn.

Messrs. Joseph and Chris Cronk brought home a load of shingles, which looks as if they were trying to patch it up a little.

Quite a number from here attended the party at the home of Mr. and Mrs. Wes. Buckley, it being the hostess' birthday, and a nice time was spent. The hostess received a lot of nice presents.

James Erwin from this city attended market at Hagersville last week.

Mr and Mrs. John Mackey and daughters spent the evening of June 23 at the home of Mrs. L. A. Hamilton.

Sandusk.

Mrs. M. J. Poole left on Tuesday for her home in Toronto.

Wm. Doughty had the misfortune to fall from a hay-mow one day last week, breaking three ribs.

Mrs. Bryon Pond spent Wednesday at Mrs. John Slaters of Jarvis. Quite a few attended the A. Y. P. A. Social in the Music Hall last Tuesday evening.

The Sandusk Women's Institute, being invited by the Nanticoke Institute, enjoyed a very pleasant afternoon at the home of Mrs. E. Woods, of Lake Shore.

Miss Lillian Matthew of Port Dover spent Sunday at Mr. and Mrs. Morten Deal's.

Jas. H. Pretty of Port Rowan was in this burg on Monday.

Citizen vs. Correspondent.

Toronto, June 25th, 1910
DEAR MR. EDITOR,—Jarvis has two individuals who are evidently bent on making themselves heard.

It pays to advertise but the kind of abuse these two are heaping upon each other does not further the interests of the village. It seems to me in matching their wits they both show what little they have.

Thanking you, Mr. Editor, for your valuable space,

I am, Yours,

SUBSCRIBER.

LOCAL NEWS.

Do you know that the best place to get your laundry work done is at the Simcoe Laundry. All work guaranteed first-class. Basket leaves every Wednesday morning and returns on Saturdays.—D. M. Allen, agent.

The vote on the By-Law on Thursday last to exempt Johnston Bros. from taxes on their evaporator and pickle factory was a surprise to everyone, there not being a single vote against the By-Law, but the vote was not very large there being only 84 votes cast.

St. PAUL'S CHURCH.—The members of the W. A. are to have a picnic at Mrs. Hair's on Tuesday afternoon next. The A. Y. P. A. are invited to join them and help make a happy party. All without conveyances of their own are to meet at Mrs. T. E. Morrow's at 2 p. m. and go by carols.

The Standard Paving Co. have about completed their job of putting down sidewalks and crossings in the village for this summer, and have done their work in a very satisfactory manner. The walks put down by them two years ago have proved to be excellent ones, their being no repairs to do on them. There is no doubt but that this company will have more walks to put down in the village from year to year, as in another year's time more will be needed.

Watch for the posters announcing a grand strawberry festival and garden party to be given on the Park Lawn of the Methodist Church on Tuesday evening next, July 5th. Addresses will be delivered by Rev. D. M. Buchanan, Rev. Canon Belt of Jarvis, and Rev. Mr. Kelly of Hagersville. Vocal and instrumental music will be furnished by the Fisherville Orchestra, the Springvale Quartette, the Misses Parkinson and Miss Shirley Rodgers, and a recitation will be rendered by Mrs. Charles Walters. A good supper will be served from 6 to 8 p. m. Admission 25c and 15c.

The first chapter of an extended series of personal reminiscences that no stockman, and especially no Shorthorn breeder, in America ought to miss appears in the current (June 23rd) issue of the Farmer's Advocate and Home Magazine, of London, Canada under the caption, "Honor Roll of Shorthorns in Canada," from the gifted pen of our veteran live stock editor, Mr. J. C. Snell, who, has himself bred and exhibited many fine cattle whose proficiency as a judge has long been acknowledged, and whose intimate knowledge of the breed and of breeders guarantees an instructive and reliable narrative.

What Kills A Town.

More towns die out from want of confidence on the part of business men and lack of spirit than any other cause. When a man in search of a home or business location goes into a town and finds everything brimful of hope and enthusiasm of all the prospects of the place and all earnestly at work to build it up, he soon becomes imbued with the same spirit, and as a result he drives down stakes and goes to work with the same interest. When, however, he goes to a town where everyone expresses doubt apprehension for the future prosperity of the place, moping about and indulging in mournful complaints, he naturally feels that it is no place for him, and he at once shakes the dust off his feet while he pulls out with all possible speed for some other place. Consequently try and make a live enterprising town out of the town in which you live. When you are working for or saving a good thing for your town you accomplish all the more for yourself.
