**...Easter Millinery Opening...
March 18th and 19th, 1910.**

We cordially invite the Ladies of Jarvis and vicinity to this our first Opening. To describe the rare beauty and exclusiveness of our superb Easter hats would be a rather difficult undertaking. Nothing will more vividly convey the advantages of this section at this particular time than a visit to our charmingly appointed Millinery department. There is a something, just right, about our Millinery that is strikingly impressive which will strike a responsive chord with discriminating women of to-day.

It is most interesting to review varied profusion of colors and shapes and note the unique manner in which we have anticipated the requirements of the season. Our Miss Britton comes to us highly recommended and will take great pleasure in showing you something to suit you

We remain
Yours truly
