## Obituary.

Henry Honey, whose sudden death last Wednesday was a surprise to the community, was born in Cornwall, England, the year 1857. When but a child of two years of age he emigrated to Vanville, Ont., where his boyhood was for the most part spent. Later the family moved to Villa Nova, and here in Feb. 26, 1874, he was united in marriage to Elizabeth C. Watson and resided near Rockford for some time. About seven years ago they moved to Walpole where they have since resided. He was an industrious and highly respected citizen, enjoying the esteem of his neighbors and the good will of all. He was a member of the Home Circle for twenty years. He had been ailing some for the most of the winter, but with returning spring it was hoped he would soon be around again. But it was not to be. In the afternoon of March the 23rd, surrounded by his family, he passed away.

The funeral was on Friday afternoon, a short service being conducted by his pastor in the Methodist church and he was buried in the family plot in the Rockford cemetery. The deepest sympathy is extended to his widow, a son Moyes, a daughter Mrs. Roger Gundry of Woodhouse and to the brothers and sister who are left to mourn his loss. The pall-bearers were A. Rodgers, D. Steele, J. Burwash, Edw. Jones, W. E. Souther, and Wm. Abraham.

## Address and Presentation.

**MISS WALKER**  
At the closing exercises of Room III. on Thursday afternoon for the Easter holidays the pupils gave a short program at the close of which the following address and presentation were made:  
To Miss Walker,—  
We, your pupils, regret very much that you are going to leave us and have taken this opportunity to let you know of our disappointment at your decision to give up teaching here.

You have been patient, kind, and good to us both socially, and along the line of your profession. Hence we feel that our lives will be some better from our association with you.

Wherever fate or duty calls you in after life, we singly and collectively, say—good bye dear friend and may God keep you ever as He has in the past.

We would like you to take this little jewel, as a keepsake from the boys and girls, whose lives you sought to make happy while you were a teacher in Jarvis Public school.

Signed on behalf of the pupils.  
PAULINE HARRIS,  
MARY MOORE

Miss Walker was deeply moved and in a few well chosen words expressed her thanks for the token and also was very sorry that the pleasant relations were to be severed. She would long remember the great kindness of her Jarvis pupils.

About twenty of the young people of Garnet drove out to the home of Mr. and Mrs. J. W. Pond last Friday evening and a very enjoyable evening was spent in music and games, after which they presented Mrs. Pond with a handsome jardiniere and jardiniere stand, and the following address was read by Mr. Frank Wilson.

Garnet, March 25, 1910.

Dear Mrs. Pond,—  
We, the members of the Garnet choir, wish to express our deep gratitude and good will towards you for your untiring efforts in leading us in the service of song, you were always faithful in attendance both at practice and in the choir each Sabbath.

We regret exceedingly to say that the happy years we have spent together are terminated, but we trust that though your departure is a loss to us, it may be a gain to the community of which you have become a member.

We do not think we can ever repay you but as a token of the esteem in which you are held by us we pre-

## The Late Mrs. C. Lamb.

As the grass falls before the mower's sickle, so must we all in due time, fall before the grim reaper, and cross the silent river to meet the loved ones gone before. One of the most respected residents of Walpole passed away on Saturday, March 19th, in the person of Mrs. C. Lamb. She was in her 74th year. Mrs. Lamb has been ailing for the last year, but on Friday she was feeling considerable better and visited with her son Alfred of Selkirk. After returning home and
