NEWS ABOUT LADIES AND CHILDRENS

## Hosiery & Summer Underwear

Stirring good news too! A manufacturer of Underwear and Hosiery who intends changing in a few details his output next year has closed out to us at a low price his present remaining stock. Odds and ends and broken lines, most of it fresh and in good order, other pieces are a trifle soiled from knocking around the warehouses, the prices are from 6c to 38c. Hosiery and Underwear regular 50c for 38c, 25c for 19c, 15c for 10c, and 10c for 6c. A great chance to procure your summer Underwear and Hosiery. Our Hose sale last week was a great success, the bargain table was crowded all day, so come early and secure some of the best bargains.

## Men's Correct Clothing and Furnishing

Certain stores get to be arbiters of men's fashion by virtue of being always right in the styles. It is a usual thing for such stores to "soak" its customers for all they withstand because men—lots of them—will unhesitatingly pay a good price if with it goes the feeling of safety as to style. Hence many men naturally grow to think that style can only be had at a good fat price.

M., M. & Co. are changing all that. It is rapidly proving to more and more thoughtful dressers every day that correct styles need not hinge on exorbitant prices.

## Shoes Shoes

Just received another large shipment of shoes. Our shoe trade is growing larger and larger every day. The best in material and the best in workmanship, and the latest style, and the lowest price that is the reason our trade is growing.
