

Great Clearing Sale

Of Boots and Shoes, Harness, Fur Coats, Robes,
Blankets, Etc.

FROM NOVEMBER 11 TO 15 INCLUSIVE

FOR CASH ONLY

Never in the history of Jarvis have such low prices been offered to the public. Our patrons will remember the last great sale we held, and what it meant to those who came and benefited by the low prices. The regular prices are low but we have cut many of them clean in two.

We are going to a lot of trouble and expense to tell you what we have in store for you if you will come and see for yourself. Everything will be just as represented.

Our reputation for reliable goods at a reasonable price has made this business what it is. Seven years ago we commenced here without any business, and with good attention, and honest goods we made a turnover of eleven hundred dollars only and last year the turnover headed the list with the magnificent sum of ten thousand five hundred dollars, and we are going to make this our banner year.

Just look at the prices, come and see the goods, and be convinced for yourself. We would advise you to call early as at the prices we are asking these special lines will not last very long. Just consider the following values in shoes.
