Varency

The plowman is not open for conversation at present. The year just drawing to a close though dim at some periods, is proving satisfactory to the average farmer. Mrs. Thos. Brown spent the holidays in Buffalo. Miss Ina Miller is visiting her sister, Mrs. Percy Iosson this week. Henry Wesley is moving his effects to the farm recently purchased from John Hoskins. After careful consideration we have come to the conclusion that the apparent change in Hallow's is entirely personal.

Auction Sales

James Hodges, auctioneer, has received instructions from the undersigned to sell farm stock, implements, etc., on Lot 3, Con. 5, Walpole, on Wednesday, November 9th. Terms—10 months, 4 per cent. off for cash. John Nichol, proprietor. There will be sold by public auction on Lot 16, Con. 1, Woodhouse, 1 1/2 miles east of Port Dover, on Thursday, Nov. 10, at 12 o'clock sharp, farm stock and implements. Terms—12 months' credit or 5 per cent off for cash. Geo. Mills, prop., James Hodges auctioneer.

A Good Position

Can be had by ambitious young men and ladies in the field of "Wireless" or Railway telegraphy. Since the 8-hour law became effective, and since the Wireless companies are establishing stations throughout the country there is a great shortage of telegraphers. Positions pay beginners from \$70 to \$90 per month, with good chance of advancement. The National Telegraph Institutes in America, under supervision of R.R. and Wireless Officials and places all graduates into positions. It will pay you to write them for full details at Cincinnati, O., or Philadelphia, Pa.

require a lot of nourishment. You'll find nothing more healthful for them than bread Baked From Our Flour. It has all the tissue building, blood forming properties so requisite.
