

The Busy Store **Miller, MacFarlane & Co.** The Busy Store

**S**OME of these days we will succeed in writing an ad which will arouse your curiosity sufficiently to make you call at Miller, MacFarlane & Co's store and look over the suits and Overcoats at \$8.00, \$10.00 and \$15.00. Until you actually see the cloth and try them on before a glass you can form no sort of an idea as to excellent tailoring, perfect fit, and smart patterings. Nor can you realize that we really mean it when we say every suit and overcoat in our stock saves you from \$2.50 to \$5.00 cash. This only can be done by buying for cash, selling for cash and giving the customer the advantage. That is what we are doing every day we are open.

**Y**OUNG Men tell us we have struck the right spot in our Young Men's Clothing. These are very exclusive styles. The patterns, styles, weaves and finish, intended for nobody but young men.
