The Prize List of the Winter Fair

\$26,000 in Prizes

In the revision of the prize list for the coming Winter Fair and Executive Committee made many additions with a view to encouraging exhibitors to bring out still better exhibits and so to make the Winter Fair of 1910 greater in educational value and attractiveness than any of its predecessors.

On looking through the new prize list and beginning with the horse department it will be noticed that two new sections have been added to the class for Canadian bred Clydesdales and Shires; one section is for stallion foaled in 1910 and the other for mare foaled in 1910; the prizes in each section are: 1st, \$15; 2nd, \$12; 3rd, \$9; 4th \$6. A section is added for Shire mares foaled on and after Jan. 1st, 1908, with prizes of 1st, \$15; 2nd, \$10; 3rd \$8. There are now two sections for Standard-bred mares instead of one, they are for mares foaled previous to Jan. 1st, 1908, with prizes of: 1st, \$25; 2nd, \$15; 3rd, \$10; and for mares foaled on or after Jan. 1st, 1908, with prizes of: 1st, \$20; 2nd, \$15; 3rd, \$5. Additions have been made to the Pony Class for Shetland Pony stallion any age, 1st, \$20; 2nd, \$10; 3rd, \$5; and for Shetland Pony mare, any age 1st, \$15; 2nd, \$10; 3rd \$5. The Championship class includes new sections for Hackney mare, any age, and for Standard-bred mare, any age. Grand Champion awards will be made for the best Clydesdale stallion and for the best Clydesdale mare. Winners of Championship prizes will receive special ribbons instead of cash prizes.

Important changes have been made in the Beef Cattle Departments. Formerly Herefords and Aberdeen-Angus competed together as also did Galloways and Devons. The latter breed has been dropped from the list and the remaining three breeds each has its own class. The sections are the same as last year, and the Fair Board gives \$128 in prizes to each class. The prizes for Hereford are made very attractive by the addition of \$220 from the American and Canadian Hereford Breeders' Associations. The Canadian Breeders' Association is also prepared to add 50 per cent. to all the prizes won by animals sired by Hereford bulls in the open class for Grades and Crosses. The heifer prizes for beef Shorthorns have been increased by \$7 in each of the three sections.

The National Lincoln Sheep Breeders' Association has doubled the amount of special prizes for Lincoln sheep, bringing the total up to \$100.

The most noticeable change in the Dairy Cattle Department is the increased grant made by the Holstein Friesian Association of Canada. They have added \$575 to the regular prizes for Holsteins so that exhibitors of this breed will now compete for \$510. The Canadian Ayrshire Breeders' Association has also increased their grant and have added special prizes in the different live stock departments to amateur exhibitors resident of their respective counties.

Prospective exhibitors are reminded that the dates of the Fair are December 5th to 9th, 1910. The prize lists are now ready for distribution and may be had free on application to A. P. Westervelt, Secretary, Parliament Buildings, Toronto.

HAPPY, HEALTHY CHILDREN

require a lot of nourishment. You'll find nothing more healthful for them than bread Baked From Our Flour. It has all the tissue building, blood forming properties so requisite. It makes weak children strong and strong children stronger. Besides it goes much farther than ordinary flour. That means a saving not to be despised. Try a sack as an experiment.
