VARICOSE VEINS CURED

NO NAMES USED WITHOUT WRITTEN CONSENT.
Confined to His Home for Weeks.

"Heavy work, severe straining and evil habits in youth brought on Varicose Veins. When I worked hard the aching would become severe and I was often laid up for a week at a time. My family physician told me an operation was my only hope—but I dreaded it. I tried several specialists, but soon found out all they wanted was my money. I commenced to look up on all doctors as little better than rogues. One day my boss asked me to work as of work so much and I told him my condition. He was due to contact Mrs. Kennedy & Kennedy, as he had taken treatment from them himself and knew they were square and skillful. I wrote them and got The New METHOD TREATMENT. My progress was somewhat slow and during the first month's treatment I was somewhat discouraged. However, I continued treatment for three months longer and I was rewarded with a complete cure. I could only earn \$2 a week in a machine shop before treatment, now I am earning \$20 and never leave a day. I wish all sufferers knew of your valuable treatment."

HENRY C. LOCUSTE.
