## Winnipeg Wheat Market.

Winnipeg, Sept. 1. — Winnipeg has at last outdistanced Minneapolis in the actual amount of grain marketed, and may lay claim to being the biggest actual wheat market on the North American continent. Comparative figures, made public to-day by the Winnipeg Grain Exchange, show that for the year ending August 31, 1910, Winnipeg wheat receipts were 88,269,330 bushels, while Minneapolis, for the calendar year of 1909, could show a total of only 81,111,410. Buffalo, Duluth, Kansas City and Montreal follow in order. Winnipeg is second to Chicago in the total of oats handled during the past year. The figures for Winnipeg are taken from the Dominion Inspector's official report and so not include shipments made direct from Southern Manitoba and Alberta into United States, nor shipments made west from Calgary, neither do they include local shipments nor any wheat inspected at Calgary.

### A Generous Offer.

T. E. Morrow Will Refund Your Money if Parisian Sage Doesn't Banish Dandruff

Pretty strong talk, perhaps you'll say, but it's honest talk, every word of it, because if T. E. Morrow absolutely certain; if he did not know from actual results obtained he could not make such a generous offer.

Parisian Sage, which can now be obtained in every town in Canada, is also guaranteed to stop falling hair and itching scalp.

It is the ideal, delightful, rejuvenating hair dressing that makes hair grow in abundance. Parisian Sage is a prime favorite with women, because it keeps the hair brilliant and fascinating, is daintily perfumed, and is not sticky or greasy.

The price for a large bottle is only 50 cents at T. E. Morrow's who guarantees it. Sold everywhere, or direct, all charges prepaid, by the Canadian makers, Giroux Mfg. Co., Fort Erie, Ont.

### A Canadian Institution.

Toronto Fair regarded with pride by Dominion as a whole.

When Earl Grey on the occasion of his recent visit to England advised British manufacturers to exhibit at the Canadian National Exhibition in Toronto he did a thing which a few short years ago would have gotten him into trouble. The sectional spirit was within the memory of the youngest citizen—so strong in Canada that to "boost" the Toronto Fair would have been regarded as an exhibition of favoritism. Efficient management has made such a change in matters that to-day the Canadian National Exhibition is recognized as an institution in which all Canada takes pride. The best proof of it is that every province from ocean to ocean will send official exhibits illustrative of its resources, to this year's event. The aim of the directors has always been to make it a magnificent demonstration of the resources of this country and the Exhibition of 1910 will be an education to the Canadian and the foreign visitors alike in the possibilities of this Canada of ours.

# 950 FALL AND WINTERS SUITS 950

From One of The Best Clothing Manufacturers of Montreal

## An Average Saving To Men Of Nearly 40 Per Cent

On account of the total failure of crops in different districts throughout the North West the fall season has been a national disaster as far as Clothing Manufacturers are concerned. Knowing that some big deals would be put through on account of the overloaded condition of stocks, our Clothing man has been hovering around the Clothing Plants of Montreal waiting developments.

The opportunity came last Thursday when one of the biggest manufacturers in the business let loose and decided to clean up, in less than two hours \$12,000 worth of the choicest Clothing that ever came into the possession of the H. S. Falls Co. Store at less than the actual cost of the production.

The Clothing was quickly made ready for shipment, and rushed here via "Merchant Dispatch" 950 suits of the most desirable fall and winter weights. Not a suit but what is made of fashionable worsteds and tweeds, well tailored inside and out. And remember please, that this is not a lot of picked over suits peppered and salted with a few good things. But a clean new fresh stock of clothing that totals up to something over \$12,000.00.

It is impossible to give an adequate idea of the vast assortments of suits that this sale will spread before the Men of Norfolk and Haldimand Counties. There are suits here for every man, styles cut and designed for the men who want quiet smartness without any of the frills and fads. On the other hand fully one half of the whole great assortment is given up to suits for young men who like all the snap and vivacity that all the little touches of style bring out.

We have held several great Clothing events in the past—Some of the best Clothing values that have been offered to men during the past year have come from the H. S. Falls Co.

## But This Sale Rises Above Them All

The suits are so fresh and desirable, the assortment so large and satisfying and the prices are so far below what the suits are usually sold that we expect the largest response that this store has ever known in any sale.

**150 Suits, Regular 9.00 Grade \$5.90**

The suits are wonderful. They are the best suits that \$9.00 can buy and some of them are all wool materials, including fancy Greys and Browns and good selections of patterns. The entire 150 suits will be sold at \$5.90

**250 Suits, Regular 12.50 Grade \$8.90**

Three piece suits of the top notch, \$12.50 quality, including excellent Botany Blue Serges which men will snap up in jiffy at the price. Think of a well made Blue Serge Suit at only \$8.90.

**180 Suits, Regular 13.50 Grade \$9.90**

Not one of these suits can be duplicated at less than \$13.50 and they are mighty good suits at that price. Splendid selection including Blue Serges, Black Worsteds and Fancy Diagonal Browns and smart mixtures and they are all \$9.90 a suit.

**120 Suits, Regular 15.00 Grade \$10.90**

The majority of these suits are Blue Serges and Worsteds. They are tailored in the best manner and high class in every detail. Materials are pure wool and many patterns to choose from, all \$10.90 a suit.

**150 Suits, Regular 16.50 Grade \$11.90**
